

## CABLES SECOND WARNING TO CUBA

## U. S. Will Not Recognize Any Government Set Up By Violence

## CLOSE DEAL FOR GUNS

## Rebellion Assumes Greater Proportion Than Had Been Anticipated

## ZAYAS SEEMS VICTORIOUS

WASHINGTON, Feb. 14.—Reports telling of the spread of the Liberal revolt in Cuba aroused such apprehension here that Secretary Lansing cabled a second warning to the people of the republic that the United States would not regard as legal any government set up by violence. The message went to Minister Gonzales at Havana and to every American consul, to be circulated all over the island.

Minister Gonzales' reports of the growth of the revolt were submitted by the state department to the secretaries of war and navy as promptly as they were received. In neither of the military departments was there indication that any warlike move was being prepared in connection with the situation.

Close Deal for Rifles.  
Secretary Baker announced that with the approval of the president a deal had been closed yesterday for the sale of 10,000 army rifles and 2,000,000 rounds of ammunition to the Cuban government. Negotiations for the purchase had been in progress for several months. The president is authorized by statute to approve the sale of arms and ammunition to Cuba. Shipment of the guns and ammunition will be hastened as they will be needed by President Menocal to arm his volunteers.

Official news from Cuba convinced the administration that the rebellion already has assumed greater proportions than had been anticipated. Reports of the special election that was announced for today in Santa Clara and which was expected to determine beyond doubt the winner in the presidential election had not been received at the state department late today.

Zayas Appears Victorious  
Information already received from Cuba has made it appear that Zayas, the Liberal candidate, was elected. One suggested cause for the present uprising was that it had been precipitated by the president when he ordered the arrest of several civilians and army officers on the charge of complicity in a plot to depose him. It became known after the transmission of the warning to the Cuban people that a similar warning was sent to every Central American country after the overthrow of the Gonzales administration in Costa Rica.

Note Has Splendid Effect  
Havana, Feb. 14.—Important events have been following each other rapidly during the past twenty-four hours. Aside from Oriente, and possibly part of Camaguey, no evidence exists that any persons except armed guerrillas are operating in the four other provinces of the island.

The note of Secretary Lansing, delivered by W. E. Gonzales, the American minister, has had a splendid effect in government circles. President Menocal's cabinet answer to the request of Colonel Orestes Ferrara, speaker of the house of representatives, that the president resign was a warm topic of conversation today.

Martial spirit is being aroused by the formation of a presidential guard among society men here. The official decree of President Menocal authorizing the enlistment of volunteers for service for a period of ninety days is expected to bring a number of men to the colors.

Acosta Guerra and other revolutionists have taken refuge in the Pinar del Rio hills. Another band of revolutionists has been broken up near Guanapay.

The yacht Julito owned by former President Gomez has been found by a gunboat abandoned.

The government tonight claimed a victory in the elections held today at Las Villas by a great majority. Everything is said to be orderly there.

Against Rule of Menocal  
Santiago, Cuba, Feb. 14.—The military governor of Santiago, Major Loret de Mola made following statement tonight with reference to revolutionary movement:  
"The forces in arms are against the rule of President Menocal, who, failing to respect the constitution of Cuba, is utilizing the army for the people obtaining his re-election. The duty of the army is to maintain order and uphold the constitution; not to elect one party or another. The army is neither liberal nor conservative."

Complete order is being maintained.

## OFFICIALLY DECLARES WILSON RE-ELECTED

## Congress Completes Constitutional Formalities

Canvasses Sealed Vote by States with the Usual Quadrennial Ceremony—Result Entered Formally on the Official Records.

Washington, Feb. 14.—Congress completed today the constitutional formalities carrying into effect the will of the voters expressed last November, and officially declared Woodrow Wilson, president, and Thomas R. Marshall, vice president, re-elected.

## Enter Result on Records.

At a joint session of the senate and house the sealed vote was canvassed by states with the usual quadrennial ceremony, and the result of the balloting of the electoral college, once the deciding factor in presidential contests but in recent years only a perfunctory means of ratifying the popular voice, was entered formally on the official records. The count showed 277 votes for the democratic nominees and 254 for Hughes and Fairbanks.

Announcement of California's thirteen votes for Wilson brought an outburst of approval from the democrats and there was applause on the Republican side when Connecticut returned the first votes for Hughes. Lesser demonstrations greeted the returns from other states, and the session broke up amid a loud democratic response to the announcement of the final result.

Senator Kern of Indiana and Representative Rucker of Missouri, democrats, and Senator Clapp of Minnesota and Representative Mapes of Michigan, Republicans, were the tellers. Mrs. Wilson, wife of the president, watched the ceremony from the executive gallery and Secretaries McAdoo, Baker and Daniels and Postmaster Burleson were in the cabinet box.

Provokes Ripple of Laughter.  
Vice Pres. Marshall who presided, requested at the outset that the members and spectators refrain from demonstrations, but immediately afterward he provoked a ripple of laughter and applause by remarking:

"It has been the custom to refrain from signs of approval or disapproval. The reason for this is that the results may not be entirely satisfactory to everybody."

When the vice president called for the California vote, cries of "vote," "vote," went up from all parts of the chamber. With the announcement, "thirteen votes for Woodrow Wilson and thirteen votes for Thomas Riley Marshall," the democrats began to cheer.

## GERARD LEAVES BERNE FOR PARIS

## Americans Depart to the Accompaniment of Echoing Cheers That Filled Berne's Railroad Station.

Berne, Feb. 14.—Via Paris.—To the accompaniment of echoing cheers that filled Berne's railroad station, Ambassador Gerard, his staff and about fifty other Americans departed tonight for Paris by way of Pontarlier. The women members of the party were laden with cut flowers presented by Berne friends and because they had been so rare in Germany.

Mr. and Mrs. Gerard arrived at the railroad station about ten minutes before the time scheduled for the departure of their train and were greeted by United States Minister Stovall, Secretary Campbell and their wives. Among the prominent persons who crowded the platform were members of the entente legations in Berne. English and French officers interned in Switzerland and as many Berne citizens as could find standing room.

The ambassador and his staff occupied a first class car on the train and his unofficial travelling companions were accommodated in another first class car and one second class coach. The arrangements were made by the Swiss government which did everything in its power to co-operate with the American legation in providing for the comfort of the party.

## ILLINOIS ROADS WILL ASK FOR INJUNCTION

SPRINGFIELD, Ill., Feb. 14.—More than thirty railroads operating in Illinois have notified Attorney General Brundage they will make application to the associate justice Clark of the United States supreme court, Feb. 20, for an injunction restraining the Illinois authorities from interfering with an advancement of rates as ordered by the interstate commerce commission.

An application for such an injunction was recently denied by the district court in Chicago.

## INDICTED FOR MANSLAUGHTER.

Iowa City, Feb. 14.—Lee Wing, a garage employe here formerly of Marshall town, Ia., was indicted on a manslaughter charge by the county grand jury here today. Lee, who is the son of a minister, was charged with killing Ambrose Tucker of West Branch, a farmer. Wing was liberated on bond.

## DAVE DAVENPORT SERIOUSLY WOUNDED

Cuero, Texas, Feb. 14.—Dave Davenport, pitcher for the St. Louis Americans, is in a serious condition here today as the result of a shot wound received last night. The physician in attendance said, however, that he has a chance for recovery.

## SALAZAR TAKES U. S. OWNED RANCH

## Villa Leader Holds One American Negro for Ransom

## HOLD THREE MORMONS?

## Bandits Believed to Have Cowboys Taken at the Corner Ranch at Ojitos

## MIRANDA JOINS SALAZAR

BULLETIN.  
CORNER RANCH, N. M., Feb. 14.—By Courier to Hachita, N. M. Mormon scouts led by Lem Spillbury, recently a civilian scout with the American expedition in Mexico, crossed into Mexican territory in their search for A. P. Peterson, Hugh Acord and Burton Jensen, the Mormon cowboys, missing since the raid on the Corner Ranch. They returned to the ranch tonight to report their efforts fruitless.

EL PASO, Texas, Feb. 14.—Jose Ynez Salazar with his Villa command occupied Ojitos, an American-owned cattle ranch in Mexico, forty-five miles south of the corner ranch, yesterday. One American negro is being held there for ransom and three American Mormon cowboys, who were captured during the raid on the Corner Ranch, also are believed to be held for ransom at Ojitos while American troops tonight patrolled the border in the jog to prevent a repetition of the Mexican border raids. These were the developments in the newest Mexican border situation today. Interest in Mexican border affairs shifted suddenly from the contemplated Villa attack on Juarez to the operations of Salazar and his mounted force of men who have moved into the country opposite the Gadsden purchase in Western Chihuahua.

Take Ten Men Prisoner.  
Following the raid on the Corner Ranch yesterday which is located on the American side of the boundary 60 miles southeast of Hachita, N. M., Salazar's forces occupied Ojitos, taking prisoners nine Mexican cowboys and windmill tenders together with "Bunk" Spencer, an American negro employed by E. K. Warren & Sons, according to reports received here late today.

A demand for \$5,000 ransom was made upon Bob Moorehead, ranch overseer, for the Warren interests and forwarded from Hachita to E. K. Warren at Three Oaks, Mich. It was said here tonight. Reports from Hachita said Warren had instructed Moorehead to protect Spencer and had ordered the ransom paid, but agents of the Warren interests said tonight that they had urged the ransom be refused.

Three Americans, Andrew Peterson, Burton Jensen and Hugh Acord, are believed to be held tonight at Ojitos for the payment of ransoms. Salazar was said to have been joined at Ojitos by Prudencio Miranda and his band which raided the Corner Ranch yesterday according to advices from Hachita.

Reports were in circulation during the day here that the American cavalry troops had crossed the border line into Mexico in pursuit of the bandits, but this was not confirmed. Two cavalry units of the twelfth United States cavalry went to the border today. There also are troops at Dog Springs, Cienegas and at Alamo Huaco near the boundary.

To Hold Conference Soon.  
Salazar is believed to have moved into western Chihuahua in order to represent Francisco Villa at a conference scheduled to be held soon somewhere south of Hachita in Mexico, according to a reliable report received here. Delegates from Governor Esteban Cantu of Lower California, Villa partisans in Sonora, a representative of the Villa junta in El Paso and Salazar, representing villa are scheduled to hold a meeting on the Mexican side of the line within the next week, according to the same source.

At this conference the selection is to be made of a provisional president of the revolutionary government, which, it is said, is to be organized. Miguel Diaz Lombardo, a former Villa cabinet officer, was said here to have been practically agreed upon for this position.

Denies Mexicans Crossed Line.  
Juarez, Mex., Feb. 14.—The four American cowboys captured by Mexican rebels below Hachita, N. M., were on the Mexican side of the line when caught and their captors at no time crossed into American territory according to a report received today by Andras Garcia inspector-general of Mexican consulates, from an agent sent to investigate. The investigation showed that the Americans had not been scrupulous about keeping on their own territory in rounding up stray cattle, Garcia said, while the Mexicans had remained on their side of the line.

BRITISH STEAMER SUNK.  
London, Feb. 14.—It is announced that the British Steamer Inishowen Head has been sunk. Her crew was landed.

## ILLINOIS HOUSE WILL PASS LOWDEN BILL TODAY

## Measure Made Special Order of Business for Final Action

Consolidation Bill Will Go to Senate Unchanged in Any Respect From Original Draft Which Gov. Lowden Prepared Several Weeks Ago

Springfield, Ill., Feb. 14.—The Lowden consolidation bill, the chief measure of the present Republican state administration, will complete the first leg of its journey thru the Illinois General Assembly tomorrow when it will be passed by the lower house and sent to the senate.

The bill went successfully thru second reading in the lower house today and was made a special order of business for final action tomorrow. It will go to the senate unchanged in any important respect from the original draft which Governor Lowden prepared several weeks ago. Many Democrats are expected to vote for the bill.

Launch Fight in House.  
The Illinois drive already successful in the state senate today launched their fight in the house for passage of a bill proposing that the question of statehood prohibition should be submitted to a referendum vote in Illinois in 1918.

House Bill No. 73 by Representative Thomas E. Lyon, identical with the prohibition referendum bill already has passed the senate, was reported out for passage by the house temperance committee of former Congressman Richmond J. Hobson and Duncan McDonald, secretary of Illinois Mine Workers spoke in its favor.

Mr. Hobson said the question resolved itself into the problem of whether the legislature of Illinois was ready to let the people exercise the right to decide what was best for them.

## WAR NEWS SUMMARIZED

On the French front the British in the Ancre and other regions continue to make raids on German positions. Wednesday's most successful operation was northeast of Arras where King George's men entered 200 yards of German defenses and reached their third line. Many Germans were killed and some prisoners and a machine gun were captured. The Ancre raid was southeast of Grandcourt where a strong position was captured. German trenches on the Somme and northeast of Ypres also have been entered by the British. All along the remainder of the front there have been artillery duels and bomb dropping exploits by aviators on both belligerent groups.

In the Rumanian theater near Meste Canesti the Germans have captured and held against counter-attacks several Russian positions and made 23 officers and more than 1,200 men prisoners. In addition the Germans secured three cannon, 12 machine guns and six mine throwers. Petrograd admits the capture by the Germans of two heights east of Jacovini, near the Bukovina-Rumanian frontier, and a retreat by the Russians there of two thirds of a mile.

To the north in Volhynia, German attacks southwest of Lutsk were repulsed by the Germans, and farther north in the Lake Drisviaty region, the Germans penetrated Russian trenches but were later driven out. Entente attacks against heights recently taken by the Germans in the Gerna Bend on the Macedonian front were repulsed according to Berlin. There had been artillery duels on various sectors on the Austro-Italian front and several surprise attacks which netted the Italians prisoners.

Latest reports give five vessels as having been sunk by German submarines. The aggregate tonnage of the sunken vessels, except the trawlers was 6,545 tons.

## WOULD CREATE NEW STATE OF CHICAGO

SPRINGFIELD, Ill., Feb. 14.—Chicago was given a Valentine in the state senate today by John T. Denver, of the 19th district. It was in the form of a memorial resolution calling upon congress to separate Cook county and Chicago from the remainder of the state. Senator Denver's resolution asks that a new state be created in place of the Chicago area.

The senator's idea of attaining home rule. The proposition has been discussed here before, but this is the first time it has been put on paper. The resolution under the senate rules will be taken up next week. It is considered too radical to give its author much hope for its adoption.

## THREE EYE MEETING MONDAY.

Peoria, Ill., Feb. 14.—At least one and possibly three cities will be represented at the Three Eye league meeting here Monday to bid for the Davenport Iowa, franchise. It was announced here today by President Ryan of the Peoria club.

"We are sure to have eight clubs and can fill two vacancies if necessary," he said.

## SPAIN TAKES OVER U. S. INTERESTS IN BELGIUM

London, Feb. 15.—The Spanish minister at Brussels has taken over the American interests in Belgium, says a Copenhagen despatch to the Exchange Telegraph company.

## TWENTY KILLED IN ACCIDENT

Paris, Feb. 14.—Twenty three persons are reported to have been killed in a railroad accident at Serquex.

## WILSON MAY NOT WAIT FOR OVERT ACT

## May Go Before Congress Without Waiting for Serious Disaster

## TO MOVE DELIBERATELY

## Reports of Sinking of American Schooner Add Only Slightly To Tension

## SUNK BY AUSTRIAN "SUB"

WASHINGTON, Feb. 14.—The steady accumulation of violations of American rights by Germany made it appear possible today that President Wilson would go before congress to ask authority for further means of protecting lives and property without waiting for a serious disaster which might shock the country. There were no indications, however, that he believed the time for such a step had come, and it again was stated authoritatively that he would move deliberately and with full appreciation of all the consequences involved.

Vessel Apparently Warned.  
Official reports of the sinking of the American Schooner Lyman M. Law in the Mediterranean by an Austrian submarine added only slightly to the tension, for while the act is believed to have been illegal no lives were lost and the vessel apparently was not looked upon as one in itself sufficient to hurry the development of the situation.

Preparations by the government to government departments showing the piling up about the Atlantic seaboard of goods destined to Europe. No serious effect from this condition will be felt, however, until lapse of sufficient time for ships remaining in American ports to have gone to Europe and returned. While only approximately ten per cent of American commerce with Europe is carried on American ships the sailings of vessels of other nationalities in many instances have been either cancelled or postponed and therefore the result of the ruthless submarine campaign in time will result in far reaching disturbance of the industrial life of the United States.

Holdings Daily Sessions.  
Preparations by the government for any eventuality are going forward without interruption. Much importance is attached to the work of council of national defense which is holding daily sessions for the purpose of learning at first hand from Americans of experience what provision must be made to co-ordinate American resources.

E. S. Stebbins of J. P. Morgan & Co., New York, was again before the council today furnishing information gained from experience as head of his firm's huge transactions in war orders for the entente allies.

While the state department takes the position that the government has the right to refuse to allow to American ships, other questions which made the question most complex have arisen. The greatest of these is the determination of the president to do nothing which might give Germany the excuse in any trouble which may follow, to place the responsibility upon the United States.

## Submarine Without Flag

Counsel Treadway at Rome forwarded despatches today showing that the schooner Law was sunk by "an Austrian submarine without a flag" apparently by placing a bomb aboard after the vessel had been stopped. The reports indicate that a vessel of lumber is not considered the recognized rule of the sea that a war craft must show its flag before taking hostile action was violated.

Most serious of the aspects of the case is the statement that the submarine was Austrian. In replying to the queries that will be sent to Vienna as to the facts of the sinking it is thought more than probable that Austria may make some statement which will precipitate the expected break with that country. Officials have admitted that Austria has sent a submarine note identical with Germany's but so far this country has held off from extending the severance of relations to that country.

The question of the armament of American merchantmen seemed to be temporarily disposed of today by the official statement that there were no guns in the country to be had by ship owners unless the government provided them and the strong intimation that the president expects to go before congress again before committing the government to a policy of furnishing arms.

President Wilson is said to feel that he promised congress he would consult that body again before he took the next step towards protecting American lives and property on the high seas and that official participation in the armament of merchantmen would constitute such a next step.

Navy department officials let it be known that there are absolutely no gun-mountings and very little ammunition in the country not directly under government ownership.

## COMMITTEE UNABLE TO LEARN OFFICIALS' NAMES

## Only Chance is for "Dummies" To Give Information

New York Hotel Proprietor Testifies McAdoo Gave Him No Hint as to a Prospective Peace Note During Visit December 17 and 18

New York, Feb. 14.—There is no way for the congressional committee investigating the "leak" of President Wilson's note to the belligerents to learn the names of officials who may have dealt in the stock market under other person's names unless the "dummies" themselves come forward and give the information, the committee was told at its hearing today. The main purpose of the inquiry here, the committee has announced, is to get at officials, if there are any who have been profiting by advance information as to impending acts of the government. The name of Joseph P. Tumulty, President Wilson's secretary, was again brought into the inquiry when James R. Regan, hotel proprietor here, was asked the direct question whether or not during a visit of Mr. Tumulty here Dec. 17 and 18, he gave Mr. Regan any hint as to a prospective peace note.

Denies He Sold Short.  
"Positively not," I wish he had," replied Mr. Regan, who added that he had no discussion with Mr. Tumulty regarding affairs at Washington. Mr. Regan denied the rumor that he himself sold short heavily in United States steel during the "leak" period.

The efforts of the committee to sift to the bottom the manner in which E. F. Hutton and company, brokers, got their forecast of the President's note were baffled thru the absence of Mr. Hutton and H. J. Barrett members of the firm, George A. Ellis, another member, said they were in the south. He testified that he was unable to find the telegrams sent from P. A. Connolly and company, the firm's correspondent on which the Hutton forecast was based. It was pointed out by Sherman L. Whipple, counsel for the committee, that the testimony of Mr. Hutton and Mr. Connolly as to that telegram was at variance and that the conclusion was irresistible that Mr. Hutton knew that Mr. Connolly was making a mis-statement.

Will Not Take Step.  
The motion was made by a member of the committee that Mr. Hutton and Mr. Barrett be compelled to appear before it, but after executive consideration of this proposal, Mr. Whipple announced such a step would not be taken. He added that Mr. Hutton and Mr. Barrett were the only persons who could straighten out the matter and that the responsibility rested with them as to whether their houses could afford to leave the subject as it is.

Unless they appeared, he said, the committee was free to make what deductions it could from all circumstances and so report to congress. Mr. Ellis said he would attempt to get in touch with his associates.

## PROTEST OF SAN JOSE CITIZENS EFFECTIVE

SPRINGFIELD, Feb. 14.—Citizens of San Jose, Ill., have risen in protest against the action of the Chicago & Alton railroad in instructing its employees in pronouncing the name of the town to use the Spanish pronunciation, phonetically San Ho-say.

Always the citizens have anglicized the pronunciation to sound as Spanish. Such a J-o-s-e were the phonetic spelling. A petition by the commercial association said to have been signed by nearly every citizen of the town protesting against San Ho-say was forwarded to President Blount of the Alton and he said the company's brakemen would be instructed to use the anglicized pronunciation in calling San Jose.

## FORMER GERMAN AMBASSADOR SAILS

## Bernstorff's Departure Completes Severance of Diplomatic Relations

## ACCOMPLISHED QUIETLY

## Signal Penants Flutter Farewell from War-Bound German Liners

## GIVES PERSONAL VIEWS

TROBOKEN, N. J., Feb. 14.—Count Johann H. Von Bernstorff, former German ambassador to the United States sailed for home today aboard the Scandinavian-American liner Frederik VIII.

With him was the Countess Von Bernstorff and nearly 200 German diplomatic and consular officers. The departure which completes the severance of diplomatic relations between the United States and Germany, was accomplished quietly and was marred by no untoward incident.

Before the steamer departed at four o'clock the former ambassador held a final conference with Minister Ritter of Switzerland who assumed charge of German interests in this country.

Count Von Bernstorff, his wife and other members of his suite, received several wagon loads of flowers and gifts. The ambassador was so appreciative that he sent ashore a signed statement thru Dudley Field Malone, collector of the port of New York in which he said:

"I cannot refrain from a last expression to the American people for the wealth of flowers and gifts sent to the countess and myself. It is hard to tell of the good will sent us both. No expression of gratitude would be adequate to speak an affectionate farewell."

Many With Tears in Eyes.  
There was many a German citizen aboard the Frederik VIII who sailed away with tears in his eyes. The ambassador himself, deeply affected, remained away from the rest of the party as much as he could in the excitement which usually precedes the sailing of a great ocean liner.

There were others in the party who tried to do the same thing. Some went immediately to their stateroom as soon as they had boarded the ship early in the morning and remained there until sailing time. Others walked off the dock for a final stroll on American soil.

As the ship moved away from her dock and backed out into the channel, the New Jersey shores were dotted with persons who had been waiting nearby the better part of the day to see the liner depart.

From the war-bound German liners lying close at hand signal pennants fluttered spelling out their farewell. Handkerchiefs were waved from the decks of the ships and those on shore saw the Count and Countess Von Bernstorff emerge from a door with Prince Hattenfeld, formerly counselor of the embassy and his wife. All four leaned far over the rail and waved at persons they knew standing on the dock.

Several tug boats blew shrill blasts with their whistles. The whistle of the Frederik VIII responded. Then the ship straightened out in the stream and headed for the bay accompanied by a police boat which dropped behind as the Frederik VIII gathered speed.

Expresses Personal Views.  
Before he boarded the ship Count Von Bernstorff expressed to a representative of the Associated Press his personal views on the new German submarine operations, the possibility of the United States being drawn into the war, his readiness to retire from active life and the doubts he held about reaching Germany in safety.

Discussing the neutrality of the American people he said: "Naturally a person's sympathies are where he does business" and defended Germany from the charge of being a violator of the rights of humanity or the principle of international law by asking first whether it was humane for England by her blockade to "try to starve out the non-combatant population—German women and babies, and by calling attention to an American note which declared the American blockade to be illegal and indefensible. On the possibility of averting war, the former ambassador said he considered that to be conditional upon Germany being able to bring the entente to its knees before anything happened to involve the United States. He was emphatic in declaring that "the submarine campaign is bound to increase in intensity as the weather gets warmer."

#### CARRANZA THE UNGRATEFUL

The expected happened and an attack made by armed Mexicans said to be followers of Villa, on the American side of the border in New Mexico. Thus already Carranza is demonstrating his inability to handle the situation without the protecting influence of American troops. The recent indication that Carranza has shown of being subject to German influence and ready to annoy the United States on that ground must strike President Wilson as decidedly ungrateful in view of the overgenerous course that he has followed toward the president of Mexico's unstable de facto government.

#### WANTS HONEST INDIAN APPROPRIATIONS

The criticism that is frequently made of western men that by opposing an item in the Indian appropriation bill they thereby prove themselves unfriendly to the Indian is resented by Senator Albert B. Fall of New Mexico. "That those of us in the West," says Mr. Fall, "who are engaged in looking after the interests of our constituents, whenever an Indian is mentioned are trying to steal something from the Indian is a gross libel." Senator Fall contends that many items have been inserted by the Democrats in the Indian appropriation bill with practically no information on which to base their action, and that because of the looseness of some of the language in that bill large sums can be expended in the discretion of some clerk in the Indian bureau. It is against that form of legislation that Mr. Fall complains, and he insists that his criticisms are made only from a desire that the Indians shall get the worth of the money that is set aside for them.

#### A QUESTION FOR EVERYBODY'S VOICE

There should be a large attendance of citizens at the court house meeting called for tonight. The purpose of this meeting is for a free and open discussion of water supply question in this city. It is a question almost as old as the city itself but has never been satisfactorily settled. The need for an increased supply was never more acute than at this present time, and the situation is one which demands serious consideration on the part of the public, and following consideration demands action.

No matter what views citizens hold as to the correct plan for bettering the supply here, they should attend the meeting tonight and give to the people the benefit of their ideas. It is only thru a number interested in the proposition and thru a willingness on the part of citizens to devote their time and best thought to the subject that any satisfactory solution can be worked out. Attend the meeting tonight and take some part in the discussion. If you do not have any proposal to make and do not express any views on the proposals made, you will certainly get information worth while and which may be of benefit to you later on in deciding what is best for the city.

#### WOULD MAKE TWO STATES

Senator Denvir of Chicago introduced in the legislature Wednesday a bill to make a state of Cook county and another of the other counties of Illinois. He proposes that these states be known as "Northern" and "Southern" Illinois respectively. The legislators took this proposal as a joke but there is more merit in it than might at first appear.

The interests of Chicago and the rest of the state are very different and it is very difficult to accomplish what each needs in the matter of legislation and taxation without detriment to the interests of the other. It would not be amiss to have two senators in Washington representing northern Illinois and two looking after the interests of southern Illinois. True, the separation of Cook county from the remainder of the state would present some grave problems which would have to be worked out before any actual separation could be made. As it is now while there is some mutual benefit arising by having Cook county as a part of the state, there is a certain feeling of jealousy in the legislature because of Chicago's efforts to dominate the remainder of the state.

#### JUDICIAL PROSPECT FAVORS SMITH'S ELECTION

(State Journal)  
Indications, day by day, point more and more to preponderance of public favor for State Senator E. S. Smith for successor to the late Judge James A. Creighton.

That this is due to the unusually high character of his legal attainments and to general appreciation of his special fitness for the position is undoubted. Senator Smith has not been offensively partisan in political matters and he enjoys the esteem and confidence of men of all political parties and partisan factions more than any individual, perhaps, who

has attained equal prominence in local public affairs.

This is attested, in marked degree, by the attitude of the opposition press which makes no concealment of its attitude of esteem and respect for the senator. Even The Springfield Register, ordinarily extreme in such matters goes so far, editorially, as to make remark that "the office of circuit judge is not a political office," and to express its anticipation that neither Senator Smith nor his opponent, whoever may be elected, will take partisan politics with him to the bench.

One point which The Register seems to consider important is well covered by that paper's editorial remark to effect that Senator Smith is a younger man than Judge Creighton was. When Judge Creighton was candidate for re-election, two years ago, The State Journal conceded his re-election without opposition because his qualifications entitled him specially to it, and the Republican party named no candidate against him. At this time, The State Journal urges the election of Senator Smith to succeed Judge Creighton because of his superior qualifications and exceptional availability.

Senator Smith's candidacy has encountered no opposition within his own party. There will be no independent candidate in the field. Many leading Democrats are anxious to see him elected to the vacant judgeship. With no division in his own party and only a divided opposition to contend with, Senator Smith ought to win the special judicial election. The indications are that he will win.

#### PRaises FOR GOVERNOR'S BILL FROM DEMOCRATIC SOURCE

It is a favorable sign of the times when Democratic papers are coming cordially to the support of Gov. Lowden's consolidation and efficiency bill. The merit of the bill is so stated, and the need for improved methods in state business management so apparent that the appeal is strong. The Peoria Journal, owned by Henry Pindell, a staunch Democrat who was appointed ambassador to St. Petersburg a few years ago by President Wilson, has this favorable comment upon the bill:

"The consolidation and efficiency bill, prepared by Governor Lowden, and which was called up for second reading in the house at Springfield today, deserves to be passed into law. Illinois cannot afford to ignore this opportunity to gain real efficiency in the handling of its various bureaus, commissions and departments, and she cannot afford to pass by this opportunity to materialize economic in conducting the business of the state.

"Any large corporation which is organized on business principles must laugh at a system—or lack of system—in handling state bureaus and commissions, such as Illinois has had in the past. No less than eleven full pages of boards and commissions are listed in the last Illinois Blue Book. The members of these commissions draw salaries or per diems which count up into real money—and no one has ever seriously accused many of these commissioners with having done any great amount of real work for the state.

"The Journal is of the opinion that Governor Lowden's consolidation and efficiency bill is one of the most important bills which has been introduced at Springfield in many years. If it is passed into law it will consolidate the various state agencies into nine departments and the work which, in the past, has been done—or attempted—by the numerous bureaus, boards and commissions will be handled thru these nine departments. These departments, according to the views of Governor Lowden, will be organized on good business lines, and the men who will manage them and attend to the business of the state will be men of character, ability, experience and capacity.

"At the present time there appears to be an organized opposition to the governor's bill by the minority legislators. If it develops that there is nothing than cheap, selfish partisanship back of this opposition, the minority legislators should be called to account for any opposition which they may register against this bill.

"The public is supporting Governor Lowden in his sincere attempt to start Illinois on a good business administration."

### Rippling Rhymes By WALT MASON

#### HARD SMILING

It's hard to smile when you have the grip, when you cough all day and all night you yip, when your lungs are sprained and your throat is peeled, and your head feels much like a football field. Oh, it's hard to smile, but it can be done; I have tried the scheme, and the effort won. And the doctor said, as he gave me pills, and some castor oil, and a quart of squills, "I wish my patients were all like you, but they mostly roar when the doctor's due." And all who minister unto me, when I'm as sick as a man can be, behold the radiance of my smile, and say it's something that's well worth while, and they fondly hope that I may get worse, it's such a pleasure my ribs to nurse. When sickness comes to a man's abode, the women carry a grievous load. They fret and worry and work and weep, they miss their meals and they lose their sleep. And he is surely a tinhorn skate who gives their burden an added weight, by grouncing round in a peevish style, for if he wishes to be can smile.

#### THIS DATE IN HISTORY

Feb. 15, 1832—A meeting was called in Alton, Ill., on the 15th of

February, 1832, to petition congress to cause a bridge to be built across the river Mississippi, opposite that town. When Alton obtains this bridge, the national Road, a railroad to Springfield, a branch of the National Bank, and divers other things in contemplation there will be stormy times in "ne plus ultra."

#### MORTUARY

Butler  
Rev. Elmer Butler of Thorby, Ala., left Wednesday for Pittsfield where he was summoned by a message telling of the death of his mother, Mrs. E. W. Butler, a long time resident of Pike county. Mr. Butler had come from the south to see his mother who had been ill but as she was some better he came to Jacksonville for a brief visit with relatives.

Mrs. Butler sometime since celebrated her ninetieth birthday and for years she made her home with her daughter, Mrs. Edward Doocy. Notwithstanding her many years Mrs. Butler until a very few days preceding her death was in good health and had been able to take an active part in social and educational affairs in her home city. The deceased is survived by one daughter, Mrs. Doocy, and two sons, Rev. Elmer Butler of Alabama and Lee Butler of Griggsville. There are eleven grandchildren and six great grandchildren.

Finch  
Mrs. Nancy J. Finch died Tuesday at the home of her daughter, Mrs. Frazier of Rockbridge. The deceased was very well known in the Concord neighborhood. Several years since Mrs. Finch fell and broke her hip and subsequently as a result of this injury was an invalid. The injury was such that at times her pain was intense but she always met each day with bravery and courage. Following the death of her husband at Concord Oct. 7, 1913, Mrs. Finch divided her time between the home of her daughter, Mrs. Frazier of Rockbridge, and that of her son, James Finch in Chapin.

Mrs. Finch was born in Nicholas county, Kentucky, Aug. 4, 1835, and was married to J. F. Finch Dec. 14, 1863. Following their marriage they became residents of Missouri and in 1869 changed their place of residence to Morgan county, finding a home near Concord, where they lived until Mr. Finch's death. In 1875 Mrs. Finch became a member of the Concord Christian church and she has lived a life faithful to the teachings of that church. Her interest in the church and its departments of work has been maintained all thru the years.

The deceased leaves four children, two sons and two daughters: Mrs. M. Daley of East St. Louis; Mrs. Sam Frazier, Rockbridge; J. E. Finch of Kansas City, and J. W. Finch of Chapin. She leaves also one brother, Charles W. Johnson, and two sisters, Mrs. A. Armstrong and Mrs. Laura Hamm of Jacksonville. There are seven grandchildren and one great grandchild.

The funeral services will be held at 1 o'clock this afternoon at the Christian church in Concord.

Corbridge  
Mrs. Dina Corbridge, wife of George W. Corbridge of 723 Ashland avenue died at Passavant hospital at 9:55 o'clock Wednesday morning of pneumonia. She had been ill for ten days.

Decesed was the daughter of Frederick and Mary Leucking and was born seven miles southeast of Beardstown, February 27, 1853. She was united in marriage to George W. Corbridge.

Her husband and the following children survive: George Corbridge, Clay Corbridge, Mrs. Ella Ashby of this city, Mrs. Dina Suedan of Auburn, Mrs. Nellie McKee of Joliet, Mrs. Alice Smith of Chicago and Harrison Corbridge of Bluffs. Two children by a former marriage, William and Burnett Osterhold of Griggsville and a step son, George Corbridge of this city also survive. She leaves one sister, Mrs. Louise Bluhm of Versailles, and twelve grandchildren.

Mrs. Corbridge united with the German Lutheran church in childhood but in recent years had been attending the Baptist church. She was a woman devoted to her home and was greatly beloved in a large circle of friends.

Funeral services will be held from the residence of her son, George Corbridge, 202 East College avenue Friday afternoon at 2:30 o'clock in charge of the Rev. A. A. Todd, pastor of the First Baptist church. Burial will be made in Jacksonville cemetery.

Meister  
Daniel Meister, a long time resident of Greene county died at his home in Carrollton Tuesday at 8:15 o'clock. Decesed was the stepfather of Mrs. Alfred Wharton of South Church street. Mrs. Wharton will be unable to attend the funeral on account of illness but her daughter, Miss Minerva Wharton expects to go to Carrollton this morning to attend the funeral which will be held this afternoon at 2 o'clock. Mr. Meister was born in Germany 81 years ago and came to Illinois with his parents at the age of 13 years. He was a veteran of the civil war and a member of the G. A. R. One son survives, Jacob Meister of White Hall.

Reece  
Mrs. Susan Reece passed away Wednesday morning at 3:30 o'clock at the home of her sister, Mrs. John Y. Smith, near Nortonville, after an illness of one week with pneumonia. Susan Fanning was born Nov. 27, 1849, in the Greasy Prairie neighborhood, the daughter of Henry and Martha Fanning. In 1864 she was married to Mr. Reece and to this union there were born five children. The husband and two of the children preceded the mother in death. John Reece, a son, resides in Providence, Tex. Mrs. Reece was a faithful member of the Christian church and all her life adhered to the principles of the faith professed by her in youth.

Marion  
John Marion died Wednesday evening at 9:15 o'clock at his home, 827 East Independence avenue. His age was 86 years and for some time he had been in failing health. He is survived by his widow, Mrs. Susan Marion, and the following children: William Marion, John Marion, Andrew J. Marion, Thomas and Laura Marion. The deceased children are Francis, Newton and Blain.

Mr. Marion saw three years of honorable service in the union army. He enlisted in June 1862 at the age of 23 at Chattanooga, serving under Capt. George Turner.

Funeral services will be held at the residence Friday forenoon at 10 o'clock. Burial will be made in Jacksonville cemetery.

Cox  
Nellie Marie Cox, daughter of Mr. and Mrs. Ralph Cox of Concord, passed away Wednesday morning at 6 o'clock after a brief illness at Passavant hospital. The child was

2 years and 2 months old. The body was taken to the undertaking establishment of William & Cody and after preparation for burial was sent to Concord on the evening train. Funeral services will be held this forenoon at 9:30 o'clock and the body will be sent to Scott county for burial in Oxville cemetery.

#### BANQUET FOR FRED DOHT.

After the regular meeting of Jacksonville Aerie No. 509 F. O. E. Wednesday night a valentine banquet was enjoyed by the members. The banquet was prepared by the trustees in honor of Fred W. Doht who has entered on his thirteenth consecutive year as secretary of the local aerie. There was a large attendance of members and the occasion proved one of much pleasure. A feature of the evening was a number of songs by the Crown City quartet which will open a three days engagement at the Grand this afternoon.

Ralph Withee of Princeton is in the city for a few days' business visit.

## MATRIMONIAL

Foster-Foster

HARRY W. Foster of Alexander and Miss Mabel Frances Foster of Sinclair were united in marriage at the home of the bride's parents, Mr. and Mrs. A. C. Foster, Wednesday afternoon at 1 o'clock. The ceremony was said by the Rev. C. G. Cantrell of Concord in the presence of about twenty guests, most of them relatives and intimate friends.

There was added interest in the ceremony from the fact that five years ago a brother of the groom, Frank Foster, was married to Miss Ella Strawn in the same house and the Rev. Mr. Cantrell was the officiating minister.

Following the ceremony a three course luncheon was served. The decorations were tulips and red hearts.

The bride wore a gown of white messaline and georgette crepe with bead trimming and carried a bouquet of white roses. Her going away gown was green tulle.

The couple left on the evening train for Chicago for a brief visit after which they will begin house-keeping on a farm near Alexander. Both are well known in their respective communities and will have the best wishes of a large number of friends.

Bennett-Allen

Bryan E. Bennett of Kirkwood and Miss Ethel M. Allen of Timonwell were married by Judge W. E. Thompson in his office at the court house Wednesday. Mr. Bennett has been in the mercantile business in Kirkwood and recently suffered a fire loss. He is now to locate in another city.

Goodpasture-Radsihl

Roscoe A. Goodpasture, near Arenzville, and Miss Cora Irene Radsihl were married Wednesday forenoon by the Rev. John W. Priest, at his home, 630 Grove street. Three lady friends of the bride attended the couple. After the ceremony Mr. and Mrs. Goodpasture left on the 10:30 o'clock train for St. Louis and after their wedding trip will make their home on a farm near Concord.

The groom is the son of R. P. Goodpasture of Arenzville and is a young man of worth and integrity.

The bride is a daughter of the late C. W. Radsihl of Arcadia. Her friends are many and she will have the best wishes of all for a happy married life.

FRANKLIN WON RUBBER GAME FROM GIRARD AT FRANKLIN

Franklin Independents defeated Girard Independents at Franklin Wednesday night by a score of 30 to 26. Each team had won a game this season and the game Wednesday night was the rubber and each team fought hard for victory.

While the game was fast it was unusually clean, not a foul being called on either team. The large crowd present gave frequent evidence of approval of the work of the teams.

Beerup, Seymour, Burnett and Hart did the scoring for Franklin and the defensive work of the entire Franklin team was excellent. Hopson and Greenan did excellent work on the offense for Girard.

Following the game a number of Franklin young people enjoyed a dance. Music was furnished on piano and drum by George Boulware and Ralph Ryan. The score:

## FUNERALS

Berchtold.

The funeral of Theodore Berchtold was held Wednesday forenoon at 10 o'clock at the Church of the Visitation, Alexander. The mass was celebrated by Rev. Father F. A. Lucius. Friends of the deceased were present in large number to pay their last respectful tribute, as Mr. Berchtold was a man beloved by many for his many exemplary qualities of disposition and character.

The burial was made in Franklin Catholic cemetery. The bearers were Joseph Bergschneider, Guy Bender, Owen Ryan, Henry T. Gray, Charles Hernes and Daniel McCarty.

Theodore Berchtold died at his home three and one-half miles southeast of Alexander Saturday, Feb. 10, at 5 p. m. Pneumonia, of which he was ill about two weeks, was the cause of death. Mr. Berchtold was born in Switzerland March 6, 1863, and came to this country when 11 years of age settling in Shelby county and at the age of 21 removing to the vicinity of Alexander. He is survived by his parents, Mr. and Mrs. Theodore Berchtold, Sr., of Seigel, Ill., by his widow and six children, Stephen, Minnie, Theresa, Clara, Louise and Carl. Berchtold, Three brothers survive, William of Alexander, Henry of Champaign and John of Seigel, Ill., as well as two sisters, Mrs. Kampe of Stuttgart, Ark., and Miss Alma Berchtold of St. Louis.

LORD ROBERT PAYS  
TRIBUTE TO AMERICANS

Assets Hoover and Colleagues Leave Behind Them in Europe a Reputation Which U. S. Can Count on as a National Possession in Future Years.

London, Feb. 14.—On the occasion of the withdrawal of Americans of the commission for relief in Belgium and Northern France, Lord Robert Cecil who in his capacity as minister of blockade has been brought into intimate contact with Belgian relief operations, declared in a statement to The Associated Press today that Herbert C. Hoover, chairman of the commission, and his colleagues would leave behind them in Europe a reputation which the United States could count on as a national possession in future years.

"The withdrawal of the Americans from participation in the work of the commission for relief in Belgium and Northern France," said Lord Robert, "The commission still goes on in the hands of its other neutral members, but you know how in practice the organization of the relief commission both here and at Rotterdam and in Belgium and Northern France was created under Mr. Hoover and his American colleagues who for more than two years have sacrificed every personal interest to this great humanitarian enterprise. It is they who have dealt daily, hourly with the foreign office here, with the German authorities in Brussels and with the German headquarters in Northern France. They have been constant intermediaries in a series of most arduous international negotiations and it is they who have built up the elaborate system of guarantees which made the continuance of the work possible for 28 months and which stands today as a bulwark between Belgian people and the invaders."

"Yet in spite of this the work has gone on uninterruptedly for twenty-eight months and has grown from small beginnings into an undertaking which may literally be called gigantic. Now, the only thing which has made this possible has been the absolute confidence which Mr. Hoover and his colleagues inspired in the allied governments. They have been in a most difficult position and have borne the heaviest responsibilities that could possibly fall to the lot of neutrals; but there has been absolute frankness in their discussions and their energy in carrying out the undertaking led us to rely absolutely upon their word and upon their ability."

"How high a tribute this was no one can perhaps understand who has not had actual experience of war conditions. But the American people may be confident that these American citizens leave behind them in Europe a reputation, which, if I may say so, America may count on as a national possession in future years."

C. S. RUBBER EXPANDS.

New Brunswick, N. J., Feb. 14.—Stockholders of the United States Rubber company at a special meeting here today confirmed the action of the directors in voting for an issue of \$60,000,000 of bonds. At the same time the stockholders of the Rubber Goods Manufacturing company, a subsidiary of the United States Rubber company, voted in favor of a general plan for a comprehensive bond issue. The two special meetings of stockholders also acted favorably on the proposed acquisition by the companies of plants and properties of which they already own all or substantially all of the capital stock.

## COMMITTEES OF BOTH HOUSES APPROVE BILLS

Act to Hasten Legislation Providing for Payment of \$25,000,000 for the Danish West Indies.

Washington, Feb. 14.—Urged by the administration to hasten legislation providing for the payment of \$25,000,000 for the Danish West Indies, and the creation of a provisional American government on the islands, committees of both the senate and the house today voted approval of measures for that purpose.

The house committee favorably reported a bill drafted at the state department which would appropriate the \$25,000,000 and authorize continuance of the present government until otherwise provided by congress.

On the senate side the foreign relations committee approved a new bill prepared by Chairman Stone and Senators Lodge and Hitchcock to empower the president to set up a government, make regulations and name officials, including a governor, to be confirmed by the senate.

Appointment of a commission to investigate and report on the needs of the people in the newly acquired territory would be authorized.

## WILSON MAY NOT WAIT FOR OVERT ACT

(Continued from Page 1.)

and that there are no guns of the type wanted near completion in American factories either for this country or foreign governments which could be released for American ship owners.

Will Make Peremptory Demands.—The detention by Germany of the 72 American sailors brought in as prisoners on the prize ship Yarrowdale will result in a peremptory demand for their release within a few days.

Exclusive of the 72 Yarrowdale prisoners it is thought the number of native Americans in Germany has fallen since the break from about 500 to less than 250 with perhaps another fifty in Austria. The exact number of native Americans in Bulgaria and Turkey who probably cannot be reached in any circumstances is unknown.

Another inquiry was sent to Turkey today asking Ambassador Ekin why he had not been able to report to the department as to the condition of the 1,000 Americans, naturalized and others, marooned in Syria and as to whether Turkey plans to carry out Germany's submarine policy with the submarines she is known to have.

## CABLES SECOND WARNING TO CUBA

(Continued from Page 1.)

ed in Santiago and business continues as usual.

Fernandez Mines Port.—Havana, Feb. 14.—The American Minister, W. E. Gonzales, today received a message signed by Major Rigoberto Fernandez, military commander of the insurgent forces in Santiago, stating that he had mined the port and advising all ships to ask for a pilot.

Another dispatch to the minister from the same source said that if any army officers or others were held prisoner in Havana he would retaliate. He claims to have 2,000 regular troops, besides 2,000 militia.

Mr. Gonzales, in reply, said he did not believe there was any intention on the part of General Menocal to execute prisoners and that there was no justification for such an act.

## SEAMEN REFUSE TO SAIL.

Jacksonville, Fla., Feb. 14.—Unwilling to risk a passage thru Germany's submarine blockade eight Spanish seamen of the Uruguayan bark Alfredo refused to put to sea in the vessel today and when their captain hailed them before Commissioner Noble on charges of desertion the commissioner declined to hold them.

## LINER SAFE AT LIVERPOOL.

New York, Feb. 14.—The Cunard liner steamship Carmania, which left here Feb. 4 with passengers and cargo for Liverpool, has arrived safely, according to cable information today.

## WANT TEN THOUSAND RECRUITS IN ILLINOIS

CHICAGO, Feb. 14.—Ten thousand and eligibles in northern Illinois will be sought as recruits to bring the navy up to a war footing.

Chicago is expected to furnish a large proportion of the number. This announcement was made today by Lieut. L. B. Stevens, chief of the Chicago recruiting station after a conference with Lieut. Commander E. S. Root, head of the central division of navy recruiting.

A list of eligibles thruout northern Illinois has been compiled by the Chicago recruiting station. To each of the 10,000 will be made a direct appeal thru the mail to "join up."

## TEXAS STATE SENATE TABLES RESOLUTION

AUSTIN, Texas, Feb. 14.—By a vote of 19 to 12, the senate tonight tabled a resolution calling for an investigation of Governor Ferguson's life. Senators voting to table explained that the senate has no jurisdiction. The effect of tabling the Johnson resolution is to kill the measure which was under debate in the senate during the entire day. The resolution characterized that Governor Ferguson among other things, has violated supreme court decisions, injected politics into the management of the University of Texas and that "special interests" supplied funds for the governor's 1914 campaign.

Governor Ferguson took the floor this afternoon by unanimous consent, and defied the framers of the resolution to show that any of the charges were true.

## MURGUIA LEAVES FOR CASAS GRANDES

JUAREZ, Mex., Feb. 14.—General Jose Murguia left Juarez late today for Casas Grandes with a force of 500 men. It was said at the headquarters that he intended to strike after the Salazar band and ran the rebels out of the territory recently evacuated by the American expedition. News was received also that General Murguia commander-in-chief of Chihuahua had effected a junction in southern Chihuahua with General Manuel M. Dieguez at a point between Jimenez and Escalon. General Dieguez is said to have brought three thousand men with him and to have left nine thousand behind at Torreón.

Mexican officials here express the opinion that the new phase of the campaign will bring about the final downfall of Villa.

## POPE CONTEMPLATES APPEAL.

London, Feb. 14.—According to an Exchange Telegraph message from The Hague, it is reported from Munich that the vatican has informed the nuncio at Munich that the pope contemplates an appeal to all neutral governments to take joint action in favor of peace.

## JOHN ERLANDER DIES.

Rockford, Ill., Feb. 14.—John Erlander, last of the signers of the Charter of the Augustana Synod, a document which officially brought the Swedish Lutheran church into existence in this country, is dead here at the age of 90 years. He helped establish the first of Rockford's forty furniture factories.

## OUTBREAK IN CUBA INTERESTS BRITISH

Officials Assert They Have Reason To Think German Agents Have Been At Work in Cuba for Some Time.

London, Feb. 14.—British officials are interested in the news of revolutionary outbreak in Cuba where, they assert, they have reason to suspect German agents have been at work for a long time. Only a few weeks ago Captain Hans Boehm, a German army officer, was taken from the Dutch steamer Zelandia at Falmouth. He had in his possession a chart of Santa Lucia Bay, Cuba, where, according to papers seized at the same time, German agents had secured an oil concession. It is the belief here that the Santa Lucia project was being developed by means of money from New York to Havana.

The British naval authorities while they have failed to discover any German submarine base in the West Indies, declare that they have long had reason to suspect the intention of the Germans to establish one there and as a consequence they look with suspicion upon the Cuban oil project as possibly a blind to hide an established base of operations from which submarines could operate. Boehm was not a leader of these projects but had only been carrying out the orders of a superior whose name is known to the British authorities altho it has not been disclosed.

## PAPER MAKERS CONFER WITH COMMISSION

Manufacturers Come to Washington Unannounced—Conferences Will Continue Today.

Washington, Feb. 14.—News print paper manufacturers came here unannounced today to confer with the federal trade commission concerning the government investigation of their industry. Their conferences will continue tomorrow. Neither the manufacturers nor officials would hint today at what is under discussion but there was a strong indication that the subjects considered bear close relation to the activities of a federal grand jury in New York which has been asked by the department of justice to bring indictments against the manufacturers, charging violation of anti-trust laws.

All evidence gathered by the trade commission that would indicate trade restraint has been turned over to the justice department. The trade commission in its investigation of the newsprint situation has directed its efforts largely towards bringing manufacturers and newspaper publishers together in an arrangement that would give all publishers enough paper at prices less prohibitive than now obtain.

Francis J. Heney, the San Francisco attorney, is directing that part of the trade commission's investigation that has to do with allegations of violations of the laws. His work will be continued, it has been announced, after the commission makes a preliminary report to congress probably the last of this week.

## COURT DEFINES PEACEFUL PICKETING

TOLEDO, O., Feb. 14.—The right of a man to work is as alienable as the right of a man to strike and the right of free speech is upheld to that point which allows a man to do his own thinking is the substance of an opinion handed down today in the United States district court by Judge John M. Kilts.

The court was defining peaceful picketing in connection with disturbances growing out of the strike of Ohio State Telephone company operators and linemen. Judge Kilts ruled that the Clayton act is not intended to interfere with strikes, concluding that the act does not sanction lawlessness.

The court held that under the Clayton act strikers had the right to picket places under strike but were enjoined by either word or act from interfering with others who had been employed to take their places.

## SOCIAL EVENTS

## Gave Dinner Party

A dinner was given recently by Mr. and Mrs. J. M. Stice in honor of their son and daughter, Mr. and Mrs. Coy M. Stice. The young people are soon to begin living on a farm in the Litchberry neighborhood. The occasion was greatly enjoyed by all those present, who with one accord hoped for the prosperity and happiness of Mr. and Mrs. Stice in their new surroundings.

## Sunday School Class's Entertainment

Members of the Mary and Martha Bible class of Grace M. E. church were entertained Wednesday afternoon by Mrs. C. E. Williamson at her home, 517 West College avenue. There were thirty in the company and the hours were very pleasantly spent in conversation and in singing of sacred and patriotic songs. Mrs. Robert Nelson, who is the devoted teacher of the class, presided at the piano. The members decided that at the next monthly meeting Red Cross work will be taken up.

## Entertained for Miss Erma Elliott.

Miss Rose Ranson of 1513 Mound avenue, entertained Wednesday evening for Miss Erma Elliott. The affair was a heart party and twelve guests were present. The decorations were red and white. The flowers were red carnations. There were several guessing contests and a dainty luncheon was served. Favors were red rose bon bon boxes. The occasion proved one of much pleasure to all.

## Mrs. Brown and Mrs. Wiswell Give Reception and Dance.

Among the most pleasing events of the Valentine season were the reception and dance given by Mrs. Alden Brown and Mrs. E. B. Wiswell at Colonial Inn Wednesday afternoon and Wednesday evening.

The afternoon hours were three to five and a hundred guests assembled to partake of the hospitality of Mrs. Wiswell and Mrs. Brown, who were assisted by the following: Mrs. Ernest Dick, Quincy, mother of Mrs. Brown; Mesdames T. B. Orear, George Orear, Harrison King, Harold Gay, Paul Thompson, F. J. Andrews, H. K. Chenoweth, William Barr Brown Sr., William Barr Brown Jr., C. W. Brown, Edward Brown, Lloyd Brown, George Matthews, Clarence Lukeman and William H. Weirich and Misses Anna Pauline Brown, Esta Brown, Marie Wiswell and Lura Wiswell.

The hours for the dance were eight till twelve and the eighty-five guests found the occasion one of true enjoyment. Red and white carnations and valentines were used in the favor dances. Refreshments and decorations harmonized with the Valentine idea.

Among out of town guests at the dance and reception were Miss Marjorie Southwick, Quincy; Miss Jeanette Pretorius, Cairo; Miss Marjorie Boynton, Brooklyn, N. Y.; Miss Katherine Schmidt, Chicago and Miss Alice McLean, Princeton.

## Wednesday Bridge Club Has Open Meeting.

The open meeting of the Wednesday Bridge Club, held Wednesday afternoon at the Peacock Inn, proved a happy event for each of the eight members and their guests in like number. The St. Valentine day idea was secured to a charming degree in the decorations. On the tables, Russell roses were employed and these were afterwards used as favors. Miss Edna Stout won the first prize and Miss Vivian Whitmer was winner of the guest prize.

## Mrs. C. H. Smith Hostess at Afternoon Tea.

Mrs. C. H. Smith, 226 Westminster street, was hostess at a tea Wednesday afternoon, given in honor of Mrs. T. H. Pratt of Joy Prairie, who is in the city for a visit with her sister, Mrs. A. C. Rice. Close friends of Mrs. Pratt from Joy Prairie and vicinity were the guests.

## Miss Jordan Entertains Sunday School Class.

Miss Mabel Jordan entertained the members of her Sunday school class of Grace M. E. church, Wednesday evening at her home, 225 West North street. There were fourteen in the company, including the teacher, Miss Ara Vaught. Dainty refreshments were served.

## Helping Class Meets

The Helping Class of Hebron church met Tuesday afternoon at the home of Miss Anna Mae Wilson. The following program was rendered: Song—"Old Time Religion." Roll call—"Don'ts for Christians." Scripture reading by Miss Anna Mae Wilson.

## Story—by Mrs. Robert Hopper.

Song—"What a friends we have in Jesus." A social hour was enjoyed during which dainty refreshments were served by the hostess. The guests at the meeting were Mrs. John Hunter and daughter Eloise. The next meeting will be held March 1st at the home of Mrs. Chester Wilson.

## Miscellaneous Rush for Mr. and Mrs. Rousey.

Friends of Mr. and Mrs. Terry Rousey assembled Wednesday evening at the home, near Murryville, bringing numerous handsome gifts for the newly married young people and joining wholeheartedly in a time of social pleasure. Music and games furnished diversion. Mrs. Rousey before her marriage was Miss Stella Covington.

## Clio Circle Entertained at Home of Mrs. Berry.

Dr. and Mrs. H. O. Berry entertained the Clio Circle of Litchberry Christian church Wednesday afternoon, thirty members gathering for a delightful St. Valentine's day party. The hours were from 2 till 5.

## Join Bryan in Keeping Us Out of War!

Your Help is Needed in this Tremendous Crisis

## To the American People:

In the presence of threatening dangers, whose magnitude cannot be overestimated, I venture to address my countrymen, justifying my appeal by my interest in their welfare and by their acquaintance with me.

To decide whether WAR is necessary or not we must consider the situation.

The belligerent nations on both sides think themselves in a death struggle, and Both sides feel justified in resorting to acts which we regard as contrary to international law as heretofore interpreted.

We must not forget that the injuries which we suffer from BOTH SIDES are incidental to their efforts to injure each other, and are in no case intended against us.

There are several alternatives (rather than war) from which to choose:

(1) We can postpone settlement of the present controversy until after this war is over.

(2) We can keep American citizens off belligerent ships.

(3) We can refuse clearances to American ships carrying contraband and passengers on the same ship.

(4) We can withdraw protection from those American sailors who jeopardize the nation's peace by traveling as seamen with contraband.

(5) Keep all American ships out of the danger zone as a mayor keeps citizens off the street during a riot.

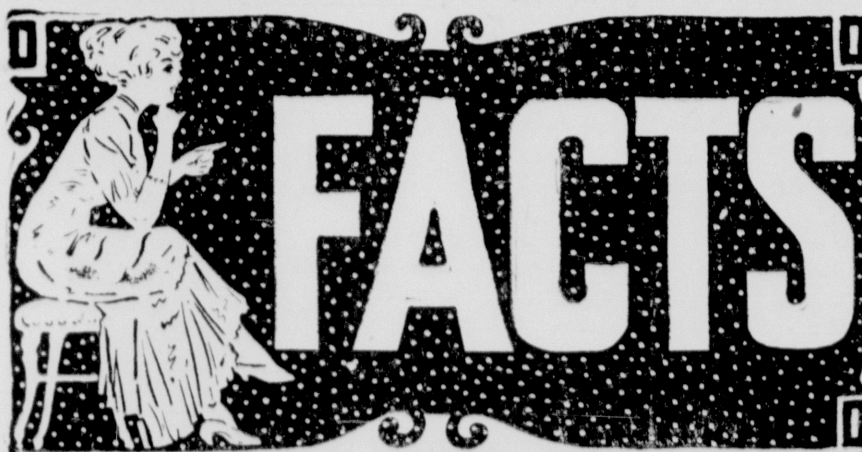

(6) Congress which has the exclusive right to declare war, can submit the declaration to a referendum vote, except in the case of actual invasion.

The most important thing is that the officials at Washington shall know that the people at home protest against entering this war on either side; that they are not willing to send American soldiers across the Atlantic to march (or die) under the banner of any European monarch.

Wire or write immediately to the President, to your senators and congressman.

(Signed) William Jennings Bryan.

If you are in favor of keeping this Nation out of the War, be sure to send a post-card, telegram or letter to your congressman and the United States senators from this State. Do this at once! Tell them that you are opposed to all efforts to plunge this Nation into the war which is raging in Europe.

### FOREIGN MISSIONS THEME AT SERVICE WEDNESDAY

Annual Praise Service Held At Westminster Church—Address on Conditions Abroad Made by Rev. George C. Lenington

A deeply interested audience listened to Rev. Geo. C. Lenington at Westminster church last evening on "Present Appeal of Foreign Missions." The occasion was the annual praise service of the missionary society of the church. The speaker first told of the superior business methods of the Presbyterian board; the rent free quarters in New York City; the beneficent bequest (\$2,700,000) of John Kennedy enabling so much work to be done and the careful manner in which funds are handled.

"The call of China today is louder than ever. With almost one fourth of the human race that mighty nation is reaching out its hands for something better. It has been jostled and tortured till it has realized its calm was stagnation. They have found their long nails, queues, bound feet of women must go away. They are asking what to do to gain a place among the nations of the world. They say that some tell them to smoke cigarettes; some to adopt European clothes; establish schools, close the joss houses, organize armies, build navies.

#### China Seeks 20th Century Secret

"And if all they are trying to find the secret of 20th century civilization. Some students they send abroad return with evil results and what will save the nation is the religion of Jesus Christ. The appeal is being heard to some extent at least. Many missionaries are going; the Rockefeller foundation has sent many thousands for better medical schools. A young man went to the missionaries in Tientsin and later down for bibles more money than the whole stock was worth but he bought all they had and distributed them. The work of Mott & Sherwood Eddy is bearing fruit. Much money has been given to the work and it is bearing a grand fruitage and much more is needed.

"India is progressing. In one year the Methodist missions baptized 50,000 converts and 40,000 more desired the rite but there were none to instruct them. The Mohammedans are fighters and savage toward the Christian religion and its worst enemies. Much has been accomplished by kindness to Turkish prisoners and in other ways.

Rev. Mr. Lenington will leave today for his new field of work in Mexico City.

#### Agnosticism in Latin America

Latin America is in a peculiar condition. It has the shell of Christianity without the kernel. They have modern improvements but the people are largely agnostics. It is that evil we need to overcome and not Romanism. The South American countries fear other nations especially Germany which has so many of her people down there and they look to the United States largely for help. Our relations to Mexico are delicate. We want to help them and do not want to annex them and the task of sending aid will be difficult but over all God will prevail."

#### WINCHESTER

Supt. C. W. Smith was a visitor Monday in Jacksonville.

Sol Hainsfurther has returned from a business trip to New York. He was absent about ten days.

Mrs. George C. Brengle and daughter, Miss Catherine Brengle, left Wednesday forenoon for a visit in Chicago.

Miss Elsie Kincaid went Wednesday to Orleans, where she will visit relatives and friends.

Newton Moore of Blues was a visitor here Wednesday.

Clarence Fox of White Hall was attending to business here Wednesday.

Charles Moses and Ray Reeder loaded a car Tuesday with their household goods, preparation to going to Missouri to make their home. They will reside on nearby farms.

#### BAPTIST TEACHERS' BANQUET

The superintendent and teachers of the beginners' department of the First Baptist church held a very profitable meeting preceding the prayer service Wednesday evening. A well prepared supper was first on the program and this was much enjoyed. A history of the department was read, also a prophecy. The department was organized five years ago, with fifteen pupils in two classes. At present there are thirty-five enrolled in five classes, fourteen having been recently promoted from the primary department. The superintendent is planning regular meetings of the teachers, when special attention will be given the art of telling Bible stories for very small children.

The officers and teachers in this department are as follows:

Superintendent—Mrs. Gertrude Richardson.

Teacher and first assistant—Miss Marie Mayer.

Teacher and second assistant—Miss Irene Smith.

Teacher and organist—Miss Ruth Easton.

Teacher and chairman of the receiving committee—Miss Eleanor Ludwig.

Chairman of the visiting committee and teacher—Miss Helen Smith.

#### SCIENCE CLUB HOLDS INTERESTING MEETING

The Epsilon Sigma club, composed of young men banded together for scientific study, held the regular meeting Wednesday evening in the offices of Dr. E. L. Crouch. Following is the program:

"The Electro-Magnetic Theory of Light"—John K. Furry.

"Periodic Arrangement of the Elements"—Russell Pinkerton.

"Researches in the phenomena of High Tension Discharge"—John Martin.

"Television"—Joel Crouch.

John P. Smith and son Rudolph were up to the city from Franklin yesterday and proceeded to Murrayville.

### COMPLETE PLAN FOR UNIVERSAL SERVICE

Army General Staff Plans Detailed Plan Before Secretary Baker—Differs Radically from Chamberlain Bill

Washington, Feb. 14.—A detailed plan for the establishment of a national policy of universal military training and service was laid before Secretary Baker today by the army general staff. It differs radically from that provided for in the Chamberlain bill, favorably reported Saturday by the senate military committee in that a full year of training would be required as the absolute minimum. The senate bill is based on six months' training.

The staff bill was submitted to each of the 35 members of that body and represents the consensus of their opinion. It is understood to have been worked out in much greater detail than the senate bill, which leaves wide departmental power to prescribe regulations. Secretary Baker has indicated the recommendations of the staff will be made public later even in the event that the plan does not receive the administration's approval, so that it can serve as a basis for discussion before the country after the adjournment of congress and can be compared with the senate plan.

The staff bill which is understood to have been modeled on the Argentine military system to some extent, was drawn by a committee of four officers of the general staff, headed by Col. Lockridge. Estimates of cost and numbers were included in the report of this committee which was subsequently handed to every officer of the general staff for his endorsement. Minor differences of opinion developed but on the urgent desirability of passing a universal service bill the staff officers are said to be strenuous in their belief that the country can have no assurance of adequate defense unless some such system is provided.

### CHIEF OF SIGNAL CORPS RETIRE FROM ARMY LIFE

Brig. Gen. Scriven Placed on Retired List on Own Application—Served in Cuba and in China Relief Expedition—Authority on Aeronautics

Washington, D. C., Feb. 14.—The official life of one of the best known officers of the United States army expired today, when Brig. Gen. Geo. P. Scriven, chief of the signal service, was placed on the retired list on his own application.

General Scriven is a native of Philadelphia who, prior to going to West Point, studied at the University of Chicago and at the Polytechnic Institute at Troy, N. Y. His first assignment was as a soldier commander in the infantry and artillery arms of the service, but in 1890 he was assigned to the signal corps, and in 1913 he was appointed chief signal officer.

During the war with Spain General Scriven was in charge of the signaling in the department of the gulf. In Cuba, in the Philippines and in the China relief expedition of 1900 he admirably served the army. In the latter campaign he won from General Chaffee a recommendation of reward for his gallantry. He is one of the leading American authorities on aeronautics. Some of his writings on technical military problems have won him official recognition and professional renown.

General Scriven will be succeeded as chief of the signal corps by Lieutenant Colonel George O. Squier, who for some time has been acting as assistant chief signal officer and has been in direct charge of the aviation service.

### CHRISTIAN N. HERTER ARRIVES IN BERNE

BERNE, Feb. 14.—via Paris.—Christian N. Herter, formerly an attaché of the American embassy in Berlin but who was loaned by Ambassador Gerard to Brand Whitlock, the American minister to Belgium, arrived in Berne today after having been arrested by a German petty officer at the Mayence and having been subjected to much other annoyance in leaving Belgium.

Mr. Herter said today that he had applied for his passports Feb. 3 but was kept waiting for them until Feb. 9. When he had to change trains at Mayence he was seized and looked up for most of the night. When he was released after repeated protests he was ordered to cross the boundary by 8 o'clock. This, he said, he did with the customary difficulties at the frontier.

### WISCONSIN TROOPS AT FORT SHERIDAN

FORT SHERIDAN, Ill., Feb. 14.—The monotony of barracks life for the Third Illinois was varied today by the arrival of the Second Wisconsin. There was talk of trying to arrange a series of indoor baseball games.

Colonel Greene, of the Illinois Guardsmen, said that no new cases of contagious diseases had developed. The two Kankakee men with the measles were said to be doing well, as was the Woodstock patient with the scarlet fever.

### WASHINGTON SOCIAL

The Ladies Aid society of Centenary church will give a Washington Social Tuesday evening, February 20th at 7:00, in the church parlors. Admission 10c.

### FUNERAL NOTICE

The funeral of Mrs. Martha A. Wood will be held this afternoon at 1 o'clock from the family residence in Franklin, in charge of the Rev. James Todd, Jr. Burial will be made in Franklin cemetery.

### TO BURY PUTNAM TODAY.

Peoria, Ill., Feb. 14.—Funeral services for the late Representative James D. Putnam, who died here yesterday, will be held at 10 o'clock tomorrow morning. The remains will be taken to Elmwood, Ill., his home, for interment.

### SPECIAL MEETINGS TO BEGIN AT GRACE

Miss Victoria Booth-Clibborn Will Lead in Evangelistic Effort—Services to Begin Sunday

A three weeks' evangelistic campaign at Grace Methodist church will begin when Miss Victoria Booth-Clibborn of Chicago and Miss Vira Wardner arrive next Saturday. The actual work of the campaign will begin Sunday, Feb. 18, and there will be services every evening except Saturday. The church cordially invites to co-operation of all Christian people in this effort. The pastor of the church, Rev. E. B. Madden, and the official board who have planned for the meetings, believe that under the leadership of Miss Clibborn that the results of the services will be very helpful to the community at large.

#### Miss Clibborn's Career.

Miss Victoria Booth-Clibborn is the grand-daughter of the late General Booth of London. She is the second child of Mrs. Booth-Clibborn, eldest daughter of the illustrious founders of the Salvation Army. Amidst great persecution this movement was established on the Continent of Europe by Mrs. Booth-Clibborn and she is still known and loved there as "La Marechale." A statement about her is as follows: "Born and educated in Paris, Miss Victoria was consecrated to the cause of Christ by her parents in her earliest infancy, as were all her brothers and sisters. The prayers and training of her father and mother have been wonderfully rewarded in the conversion of their ten children, six of whom are already preaching the Gospel.

"Quite apart from her educational acquirements, which have made her master of several languages, Miss Victoria has been endowed by her Heavenly Father with many natural and spiritual gifts. When only a girl of fifteen there were manifested in her children's meetings, where she had the joy of winning many little ones for Christ.

"Since her parents withdrew from the Salvation Army, some years ago and devoted themselves to general church evangelism, God has remarkably used Miss Victoria in France, Belgium, Holland, Germany, Great Britain and the United States where in addition to ably assisting in her mother's fruitful campaigns, she has held very successful meetings of her own."

Miss Wardner is Miss Clibborn's secretary and is a pianist of great ability. She will assist in the work of a large chorus choir which is now in training for the service. "Songs of Salvation" compiled by Miss Clibborn will be used for the services. This book contains many new songs and the music is quite different from that ordinarily used in revival services. Thus it is expected that the music will be an important feature of the services.

#### Special Prayer Services.

In preparation for the special meetings cottage prayer meetings will be held this evening and tomorrow evening at the homes of a number of members of the church. In each instance the hostess will provide music and all neighbors and friends are invited to be present. These meetings will be as follows:

Thursday, February 15.

Mrs. Wm. Wood, 363 W. College St.—Mrs. E. K. Towle.

Mrs. Harriet Nelson, 903 W. College Ave.—Wm. Barbore.

Mrs. Esther Davis, 252 Webster Ave.—Mrs. R. A. Gates.

Mrs. George Weeks, 432 W. Jordan St.—Charles Hopper.

Friday, February 16.

Miss Nettie Grear, 713 S. Main—Miss Mary L. Martin.

Miss Faye Rodgers, 332 S. Diamond—Judge Layman.

Mrs. J. A. Groves, 1301 Mound Ave.—Mrs. Harriet Nelson.

Mrs. S. T. Erison, 1022 W. Lafayette Ave.—Dr. A. J. Ogram.

Mrs. W. T. Ellis, 882 N. Church St.—A. T. Capps.

#### Strong Recommendation.

No evangelistic worker has come to Jacksonville in recent years more strongly recommended than Miss Clibborn. The committee here has received word of appreciation and

recommendation from Rev. Thomas J. Viles, pastor of the First Baptist church at Detroit; Dr. Samuel H. Bowser, pastor of the Central Baptist church, Springfield; Dr. Frank Granstaff, pastor of the First Presbyterian church, Logansport, Ind.; Dr. S. E. Young of the Bedford Presbyterian church, Brooklyn, N. Y.; Rev. Frank A. Havinghurst, pastor of the Methodist church of Bloomington, and Rev. George Craig Stewart, pastor of St. Luke's church, Evanston. So the church membership is confidently looking forward to this series of meetings as one, which promises large results.

As previously indicated, all the people in the city are most cordially invited to attend these services. Rev. Mr. Madden will be pleased to have the pastors of other churches attend the services as often as possible. If members of their congregations should become interested in the Christian life at these services he will gladly give the names of such persons to the proper pastor.

#### LIVES TO NOTABLE AGE.

Bloomington, Ill., Feb. 14.—Mrs. Mary Ann Potter of Dwight, said to be Illinois' oldest woman, will celebrate her 103rd birthday anniversary February 23. Relatives and friends are planning a notable observance of the day. Since the recent death in Cedarville of Mrs. Maria Clingman, who was 105, Mrs. Potter holds the record for age in Illinois.

She was born in Essex, N. Y., February 23, 1814. Twenty years later she was married to Stephen Potter and they removed to Central Illinois, settling upon a farm near Round Grove, east of Dwight, which was purchased from the government. Mrs. Potter still owns this farm. It is believed to be the only tract in the state which never has changed hands since passing to the first buyer from the government.

### COUNCIL PLANS FOR MORE WATER OUTLINED

Reservoir and More Wells Needed at North Side Station—Power From Central Station.

"What are the plans of the city administration regarding our water supply?" is a question frequently heard. In order to answer that question Mayor Rodgers was asked yesterday. He summed up the plans on which, he and the several commissioners have agreed about as follows:

The council is satisfied there is enough water in the vicinity of the north side wells if more wells are put down. There are needed more mains to convey the water, more and better dynamos and other apparatus. The plan is to first install at the city power house a 500 horse power unit directly connected dynamo and engine and wells at the north end pumping station.

**North End Reservoir.**  
At the north station there should be a good sized reservoir into which the water from the wells may be pumped and from which the force pumps may send it into the mains to the impounding reservoir.

There should be two miles of additional ten inch mains so as to make another artery from the pumping station to insure prompt service in case of accident of any kind and to relieve the operating expense and insure against possible accident to the pipe line which would destroy the service.

The tower at the impounding reservoir should be bought by the city and a motor driven, centrifugal pump installed to fill the tower from which separate mains should be laid for all consumers west of Park street. This could be automatic and power supplied from the central station. This would insure good pressure for all people on and west of Park street and obviate the necessity of pumping all the water into the tower.

**Pumping From Central Plant.**  
At the south station there should be a centrifugal pump with a capacity of two million gallons daily, making it possible to do away with the expensive steam plant now at that place. As it is takes two men and much fuel to keep that in use or in readiness to be used in case of need. Power for this could be supplied from the central plant on North street if it were needed.

When it is thoroughly demonstrated that there is an ample supply of water at the north station with the additional wells proposed the pump at the south side station could be removed to the north side and held in reserve.

In this way all the power will be supplied at the central station and lines run to the north side station, the south side and the west or tower pump and a saving effected by that plan.

Of course the cost of this proposed work is not exactly to be ascertained but it will be in the vicinity of \$100,000.

The plan does not contemplate any large amount of work at Morgan lake.

### JONES REVIVAL CLOSING AT BLOOMINGTON

Twenty Five Hundred People Signed Cards in Six Weeks Campaign—Revivalists' Free Will Offering \$3,500.

As there is strong possibility that Evangelist Bob Jones will come to Jacksonville next fall to conduct a union revival meeting the record of the six weeks' revival in Bloomington will be of interest. At the final service of the Jones campaign in Bloomington 5,000 people were present. The meetings began Dec. 31, 1916, and the number of addresses made by Evangelist Jones during that time were 112. It is estimated that he and his assistants addressed 260,000 people. Twenty five hundred signed the converts' cards. There were 1,350 cottage prayer meetings held, 15 churches participating in the campaign. The expense fund totaled \$5,000 and the free will offering amounted to \$3,500. Evangelist Jones and his party will begin another revival campaign at Zanesville, O., next Sunday.

The Bloomington Pentagraph in the opening paragraph of an extended report of the final meeting of the campaign had the following:

"The strenuous activities of Evangelist Bob Jones for Bloomington's uplift are over, and the evangelist and his party will go their way today. The climax of the six weeks' crusade against sin and for the rejuvenation of spiritual health in city churches closed last night in a blaze of glory, a festival of song, and a final burst of eloquent oratory from a fiery hearted southern exhorter who retired from the scene of his labors midst a burst of melody from 5,000 throats in that immortal farewell hymn, 'God Be With You Till We Meet Again.'"

### WATER CONSUMERS NOTICE

Despite previous warnings, some water consumers have been abusing their privileges by taking more water than they absolutely need for household purposes. This warning gives notice that if such abuse continues, these consumers will be shut off.

You are directed to use every bit of waste water possible in flushing closets. Get a slop jar, if you haven't one, and save water from your kitchen for this purpose. Flush your closets just as little as possible.

Water consumers who have complained of leaks in their pipes will be visited and if the leaks have not been repaired, these consumers will be shut off.

Where water meters show large use of water the consumer will be shut off.

It is only by these means that a sufficient reserve for fire fighting purposes can be maintained, and consumers will be compelled to cooperate with the officials to this extent.

Joshua Vasconcellos,  
Commissioner of Public Property.

### OVERTURNED OIL STOVE CAUSED FIRE ALARM.

An overturned oil stove in the barber shop of Fred DeFrates in the Park hotel building north side of the square caused an alarm to the fire department about 9:30 o'clock Wednesday evening. No damage was done and the services of the department were not needed.

### WILL DISCUSS WATER QUESTION TONIGHT

Mass Meeting Will be Held at Court House—Everybody Should Attend.

When a petition was circulated by well known business men a week ago for a mass meeting of citizens to discuss the water question, tonight was named as the time of meeting and the court house the place. The meeting therefore will be called to order tonight at 7:30 in the circuit court room, when every person present will have the opportunity of expressing his views on the water situation and offering any suggestion. All persons who signed the call and citizens generally should certainly attend this meeting, which is for the discussion of a question which is vital to the present health and protection of Jacksonville and the future development and growth of the city.

No plan at all has been outlined for the meeting tonight and the discussion will be altogether informal. The only hope is that from this meeting there may be some cohesive and practical plan for water development which will meet the approval of the majority of the people. It will not be possible to outline any plan which will be satisfactory to everybody, but it is certainly not too much to expect that a plan can be found acceptable to the great majority of the people.

### MISS CARTER WILL WED MR. CLEON BELL IN JUNE

Announcement in Evanston Wednesday of Special Social Perpet Here—Bride to Be is Daughter of Mr. and Mrs. Edward Carter.

Announcement was made in Evanston Wednesday of the engagement of Miss Gertrude Carter to Mr. Cleon M. Bell of this city. The wedding it is understood, is to be solemnized sometime in June. Miss Carter, who is a niece of Mrs. George W. Brown and Miss Maria Fairbank, has been a frequent visitor in Jacksonville and has been very popular here, just as she has in her home city of Evanston. She is the daughter of Mr. and Mrs. Edward C. Carter of 412 Greenwood boulevard, Evanston, the family being one of the most prominent in that somewhat exclusive Chicago suburb. The announcement was made at a Valentine luncheon with the more intimate friends of Miss Carter as the guests.

Mr. Bell, who has been a resident of Jacksonville for the past five years, is well known socially and in business circles. He is assistant manager for the Jacksonville Packing Co., and has been one of the factors in the large success of that corporation during recent years. With announcements already made and others in prospect June promises to be a month of very special social interest.

### WATER SUPPLY STILL SHOWS A DECREASE

Amount Stored in Reservoir is Less Every Day—Just One Means of Present Help and That is Economy.

Another day's record of water conditions at the west side reservoir has been written. The gauge yesterday afternoon read 138 inches below the overflow. The reading Tuesday afternoon was 124 1/2 inches. It is apparent, therefore, that a serious loss of supply was sustained during the twenty four hours. Thus far the hope of Commissioner Vasconcellos that the reservoir might regain in the night time the loss of supply sustained in the day time has been unrewarded.

The situation is growing constantly worse. All that can be done is to continue to urge upon all consumers the strict necessity that exists for the strictest economy and care. In west end residence, the pressure is now very low and if the supply is much farther depleted there will be no water at all for the use of these residents.

As has been stated many times, the only hope now for any immediate relief is rain, and weather conditions are somewhat favorable for one of those downpours not unusual at this time of the year.

### WITH THE SICK

E. J. Reid of the northwest part of the county is seriously ill. Squire J. B. Beckman was able to be in town yesterday for the first time since he suffered from pneumonia. He is yet somewhat weak.

The condition of Judge E. P. Kirby continues to be as satisfactory as could be expected.

Little Marian Clark is recovering in a pleasing manner from her attack of pneumonia.

Miss Della Newby, who has been seriously ill at Our Savior's hospital for the past two weeks, is now greatly improved.

### AGED WOMAN BREAKS LEG

Mrs. Catherine Early, of 802 Goitra avenue fell from the back steps at her home Wednesday morning and sustained a fracture of the right leg between the hip and knee. Dr. Duncan was called and attended the injury. Mrs. Early is 80 years of age and this makes the injury a serious one, the last night she was reported as resting easy.

### HAD ARM FRACTURED.

Mrs. Orrin Lansing of North Prairie street fell yesterday and suffered a fractured arm. Mrs. Lansing is more than 80 years of age.

Mrs. Constance B. Smith of this city is now a guest at the U. S. Grant Hotel in San Diego, according to information received by friends here.

### WILL HOLD DEBATE

The Literary Society of Second Christian church will hold a debate at the church tonight. All are invited to attend.

### WHITE HALL TO HAVE CITY MAIL DELIVERY

Will be First Town in Green County to be Thus Provided—C. I. P. S. C. Soon to Complete Work Outlined—White Hall News Notes.

White Hall Feb. 14.—The construction gang of the Central Illinois Public Service Company will complete the work outlined here in about ten days. The street circuits have been constructed and the distribution lines are now being given attention. The work is under the direction of Foreman Frank Hagerman, who has been engaged here for the past nine weeks.

C. H. Belknap of Springfield was in town Wednesday and stated that he will be here next month to take up the work of numbering the houses. White Hall is in line for being granted free city delivery of mail next July and will be the first town in Greene county to be thus provided. Carrollton, the county seat, was recently granted village delivery, a restricted service. White Hall has for years made the best postal showing of any town in this section and the only office to show actual revenue to the government, and has only three rural mail routes, while Carrollton has nine and Roodhouse six. Under these circumstances it is wondered that Carrollton should receive an appropriation for a federal building.

City Marshal T. E. Conlee resumed duty today having been laid up with lagrippe for a few days. During this time Isaac Painter carried the star.

T. M. English has purchased the M. S. Kavin residence property on Jacksonville street. Mr. Kavin and family expect to locate in Chicago in July and the English family will occupy the property soon after. This is a desirable two story residence, one of the finest in town.

Hugh R. Davidson of Eureka, Ill., is conducting services in the Christian church this week, beginning with Sunday. He is a graduate of Eureka and Harvard colleges and will probably succeed to the pastorate with the retirement of Rev. M. S. Metzler, who resigned to take effect the second Sunday in March. Rev. Metzler is in Christian County this week.

The construction gang of the Central Union Telephone Company has transferred its operations to Roodhouse. The lines and poles are being given an overhauling at the two exchanges.

C. H. Belknap who was over from Springfield Wednesday, was distributing literature pertaining to the candidacy of Elbert S. Smith for judge of the circuit court. Belknap is a well known individual all over this section of the state. He is now becoming quite old. At one time he was an express messenger on the old Rockford road, now this division of the Burlington. He is best known as a newspaper subscription solicitor.

The monthly meeting of the Brotherhood will be held in the Presbyterian church next Tuesday evening. The speaker will be Hon. David Ball of Louisiana, Mo.

Wm. Callans made a business trip to Jacksonville today.

Earl T. Smith returned from St. Louis today with the commission of representative of the New York Life Insurance Company in Morgan, Scott and Greene counties. He expects to open an office in Jacksonville.

L. B. Ballou has purchased the remaining pure-bred White Plymouth Rock chickens from the flock of the late Dr. R. A. Pritchett. Dr. Pritchett had developed a strain of White Rocks that won first honors at leading Illinois shows, and since his death last year the widow has been disposing of the flock and the plant, the finest in this county. Mr. Ballou will also probably take charge of the government weather instruments that have been maintained in connection with Dr. Pritchett's poultry plant.

### LOCAL NEGRO SENTENCED TO FEDERAL PRISON

Late Rice Given One Year and One Day for Bootlegging.

In the federal court at Springfield Tuesday Lafayette Rice a local negro was sentenced by Judge Humphrey to one year and one day in the federal prison at Leavenworth, Kan., and to pay a fine of \$100 and costs.

The sentence is one of the most severe ever passed for bootlegging but it was Rice's fifth offense and evidently Judge Humphrey was of the opinion that the only way to keep Rice from bootlegging is to keep him under lock and key.

Almost from the time the local option law went into effect in Jacksonville Rice has been a violator of its provisions. At various times he has conducted resorts in this city. He has paid several fines, served a sentence of six months and one of a year in the Peoria workhouse.

As soon as Rice would pay a fine or serve a sentence he would start at his old occupation of bootlegging. Rice was placed in the Sangamon county jail and will be taken to Leavenworth by a United States deputy marshal in a few days.

### ATTENDED FUNERAL.

Miss Elizabeth Whittier, R. N., has returned from Beardstown, where Tuesday afternoon at 2 o'clock, she attended the funeral of Otto Seikman. Funeral services in German and English were held at the church of which the deceased was a member and the remains were laid to rest in Beardstown cemetery. Mr. Seikman was well known in this city.

### WESTMINSTER BIRTHDAY PARTY

The Westminster Birthday Party for the months of December, January and February will be held this evening at the home of Mr. and Mrs. Easley Moore 836 West State street. All members of the church and congregation are invited to attend.

### MR. KERN TO SPEAK AT COURT HOUSE FRIDAY

Will Make An Address in Interest of Centennial Association.

Hon. Fred J. Kern of Belleville, has been secured to address a public meeting at the court house on Friday evening, February 23rd in the interests of the Centennial Association. Mr. Kern is a fine speaker and every one should come out to hear him.

Judge W. E. Thomson who is making the arrangements for this meeting stated that the constitution as agreed upon by the committee of twenty-five would be submitted for adoption and that if the association desired, the executive committee of nine would be elected at this meeting. It is intended that the executive committee later make nominations for the president, vice president, secretary and treasurer.

Any resident of Morgan County may become a member of the county Association. The membership fee will be only one dollar and there will be no other dues levied, as the money required for the program will be raised by popular subscription.

Morgan county is rich in historical associations and every good citizen is expected to get behind the movement and boost. Morgan County should not be ashamed of her part in the Centennial.

### NEW CROSSING ORDER FOR RAILROADS

Flagmen Will Have Painted Disks Instead of Faded Flags

Some time ago the state board of utilities issued a new order relative to the safeguarding of street railway and railroad crossings, and the Chicago & Alton has just issued orders complying with the rule. In accordance with the new plan the flag man at crossings will hereafter use painted disks instead of flags. When a flagman wishes to warn pedestrians or the drivers of vehicles not to cross a railroad he will hold in view a disk with the word "Stop" emblazoned on it in large letters. In the past accidents have happened quite frequently because of the inability of persons to tell whether the waving of a flag by the gate guardian has meant to proceed or to turn back. As a further protection the gates are to be painted black and white and kept in colors which will make them plainly visible to automobile drivers and others.

Accidents have sometimes happened because people were unable to see the gates and the new ruling provides for the white and black coloring with the expectation that any driver can see them. The work of preparing the Alton lines for the change will occupy about one month.

Visiting brethren welcome.

## Water Pressure

Every well organized city has its electric light plant, water supply system and gas plant. All of which are public utilities that are indispensable to the modern home life of today. Certain phases of these service mediums however, sometimes work a hardship rather than a convenience and particularly is this true of the city water pressure as applied to the soft water supply at the home. Maybe you have pressure or maybe you haven't, but you have to pay for the service just the same.

Now soft water in the home is just as indispensable as the bath room. You can't get along without either and enjoy the full benefits of the home. If you have soft water and depend on the old style water lift or hand pump you are paying for a convenience of which you are not getting full benefit and especially is this true of the water motor or "lift" because you have to depend on city pressure and this generally is an unknown quantity.

The only real soft water system is the **ELECTRIC PUMP** and we recommend the "DURO" for your consideration because the price is within your reach and because they do the work **Efficiently, Economically and Noiselessly** at the small operating cost of 6 1/2c per 1000 Gallons. Delivered to the faucet.

**THE DURO ELECTRIC PUMP** can be purchased on 30 days' free trial and if not satisfactory in every respect you can ship it back to us.

Have your plumber show you the system and furnish you an estimate on a complete installation. With a "DURO" on the job you will always have 30 to 50 lbs. pressure at your soft water faucet whether it is in the attic or in the basement.

### For Skin Irritation

There is one safe, dependable treatment that relieves itching, tortures and skin irritation almost instantly and that cleanses and soothes the skin.

Ask any druggist for a 25c or \$1 bottle of zemo and apply it as directed. Soon you will find that irritations, pimples, black heads, eczema, blotches, ringworm and similar skin troubles will disappear.

A little zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes all skin eruptions and makes the skin smooth and healthy.

### QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant relief from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two ever night just to keep right. Try them 10c and 25c per box. All druggists.

## OLD JACKSONVILLE

1840

By Ensley Moore

(Member Illinois State Historical Society)

The "Epitome" printed in the Journal of March 16, 1879, was headed: "The Tip and Tyler year. No. 4 of Series of local Epitomes." The story of 1840, as of 1830, was written by Ensley Moore. It was as follows, with two or three corrections:

In January, 1840, Martin Van Buren was President of the United States, R. M. Johnson Vice President, Thos. Carlin Governor of Illinois, and Richard M. Young and John M. Robinson United States senators.

Wm. Thomas was judge of the Morgan Judicial Circuit, Dennis Rockwell was Circuit clerk, D. P. Henderson was probate Justice of Morgan county, Jas. McKinney recorder, Henry Sanderson surveyor, E. A. Meers coroner, Wm. O'neal was state senator, we think.

Feb. 3, the town of Jacksonville became a corporation, by vote of the Legislature, and Matthew Stacy, John Hurst, Ebenezer T. Miller, Wm. Branson and R. T. McNeely were the first town trustees.

The corporate act declared the limits of the corporation to be one mile square.

April 23, 1840, the first Fire Company was formed. The old "Union" engine was procured, and in addition to several hundred feet of hose, buckets, ladders, axes, etc. The following citizens "ran the machine": J. Berdan, A. B. Putnam, J. H. Lorton, T. Anderson, Wm. Branson, O. C. Cole, N. M. Dunn, S. Galbraith, J. Goltra, T. D. Eames, M. Mallory, W. S. Hurst, E. P. Gass, A. C. Dickson, Jos. Hurst, S. H. Henderson, Morris Collins, Stafford Smith, B. B. Chamberlain, J. Stacy, John Hurst, J. Fisher, P. Cresap, E. Campbell, C. B. Clark, H. Keener, F. Stevenson, G. A. Dunlap, B. F. Stevenson, B. R. Houghton, W. G. Wilson, Moore C. Goltra, J. D. Stone, J. O. King, R. Hockenbush, Wm. French, D. P. Palmer, J. A. McDougall, J. Johnson, J. McAllister, L. D. Rawlings, J. Harris, L. S. Hicks, J. S. Anderson, R. Bibb, W. H. Corcoran, J. W. Chambers, D. Smallley, D. A. Bulkeley, Samuel Hunt, G. Henry, P. Coffman, Wm. Smalley, C. S. Goltra, F. C. Sutton, W. C. Gwin, J. Henry, A. W. Tilford, C. Ogle, W. B. Lewis, A. B. Hathaway, J. Mathers, M. Rapp, J. A. Graves, H. S. Carson, M. A. J. Hunter, W. W. Happy, S. Sutton, A. Loar, W. Askins, J. Gregory, W. B. Warren, J. M. Lucas, J. B. McKinney, J. Gledhill, M. Dulaney, J. W. McAllister, G. M. Chambers, L. Berry, J. Harkness, A. Smith, J. T. Jones, W. Patterson, J. Cosgrove, E. T. Miller, S. Filson, W. Braidwood, J. J. Cassell, W. C. Swett, W. C. Scott, John Freeman.

Since that company was organized one of its members has been a U. S. senator, another a Member of Congress, three members of Legislature, several mayors, two judges, several town trustees and aldermen, two post masters, one sheriff, several county assessors and clerks, one U. S. Consul-General, several trustees of state educational institutions, while nearly, if not all, have been prominent and useful citizens. We doubt whether any community ever had a better fire company.

According to the census of 1840, the town had a population of 1900 souls.

The Sangamon and Morgan (Northern Cross) railroad was completed this year. (It had reached town in 1839.) The depot being in our square, and the track crossed over the 2nd Ward High School site (High School) and ran east on State street.

Among the lawyers were Jas. Berdan, John J. Hardin, D. A. Smith, Wm. Thomas, Richard Yates, J. A. McDougall, Murray McConnell and H. B. McClure.

Wm. Hamilton kept a bakery, Jos. Capps had recently established himself in the wool carding business, E. T. Miller was a prominent carpenter, David Cole and Jas. Cosgrove were blacksmiths, B. F. Gass was a carpenter, J. S. Anderson was a cabinet maker, as was Wm. Branson, D. B. Ayers had a drugstore, Robt. Hockenbush was clerk for Reed and King, druggists, Thos. W. Melindy was a carpenter, M. Stacy sold harness, Talma Smith came to town with his father, Thos. Smith, who was a shoemaker, Jas. Buckingham was a plasterer, D. C. Creamer, Samuel Hunt and Wm. Lewis were tailors, Cornelius Hook was a merchant, Israel, Taggart & Smith were another firm, Col. Jas. Dunlap of the firm of January & Dunlap, was building the railroad as contractor, Jonathan Neely was in the same line, Edward Scott was farming near town, and Wm. H. Broadwell was learning the trade of blacksmith.

Josiah M. Lucas was editor of the Illinoisian and the Goudys had a job office.

Rev. T. M. Post was in charge of

the Congregational church, Rev. R. W. Gridley was pastor, and succeeded by Rev. W. H. Williams, of the First Presbyterian church, and Rev. Andrew Todd of the Second Presbyterian, who finished its church building this year, 1840.

The first Baptist church was organized in 1841, by Rev. Alvin Bailey.

John T. Jones was probably Elder in charge of the Christian church. The Methodist society worshipped in a brick church on Morgan street, near East street.

Rev. W. G. Heyer was Rector of the Episcopal church. Illinois College held its "Commencement" June 24, 1840.

The committee on History of Illinois College, appointed in 1839, reported in part by Rev. Thos. Lippincott; and Mr. Lippincott was requested to finish the history.

John Cooper was Post Master, and charged 12 1-2 cents per quarter year for box rent.

A. F. and A. M. Harmony Lodge, No. 3, was chartered.

The Jacksonville Mechanics Union loaned money at 12 per cent per annum in 1841.

E. T. Goudy and Miss Catharine McMaikin were united in marriage July 1, 1840, by Rev. L. Lyons.

Drs. M. L. Reed, Nathaniel English, Thomas Munroe, Archimedes Smith and Henry Jones were prominent physicians.

Reed & King's store was in Goltra & Stryker's building (Frank Byrns) now Goltra & Reed's, south west corner of the Square.

Hard times were very fashionable. One house and lot purchased in 1840 depreciated one-half in value during the next two years.

John Adams, L. D. since known as "Father" Adams, was Principal of the Female Academy.

The following boys entered Illinois College in Sept.: E. S. Baker, Rochester; N. Bateman, College Hill; T. K. Beecher, Walnut Hills, Ohio; Wm. C. Merritt, Winchester; John T. Morton, Quincy; Wickliffe Price & Stryker, Jacksonville; W. H. Starr, Alton; C. F. Thayer, Springfield.

Board was furnished students at from one to two dollars per week. Those who desired it could "get plainer board at cheaper rates." Washing cost fifty cents a dozen.

The annual expense of a student was estimated at \$193, excluding clothes and books.

John T. Pierce offered his services in preparing young men for college, terms \$5 a quarter. Vacations were to be six weeks from August 1, one from Feb. 14, and one week from May 11.

Jacksonville luxuriated in a daily mail, people paid 25 cents postage on a letter from Philadelphia, and 12 cents from Quincy. Postage was paid by the sender, or recipient, according to the sender's pocket.

There was a branch of the State Bank of Illinois in Jacksonville, of which Henry D. Town was teller. In 1840, Mr. Town was married to an estimable young lady of this place.

Imperial tea sold at \$1.50 per pound, but 12 1-2 cents per pound, molasses, 50 cents per gallon, candles nineteen cents a pound, flour \$4 a barrel in 1840.

The "Morgan House" was what is called "Park" now, and it was the "Stage Office." The "Western House," corner W. State street and the Square, on Central Bank location, was also a favorite stopping place.

Dennis Rockwell's residence, now occupied by his son Charles, was the only noticeable house between the Ellis house, now Mrs. C. McDonald's and Gov. Duncan's "seat." Duncan's house and Rockwell's were built about 1836.

John B. A. Reid's father owned most of the land between Rockwell's and Caldwell street, and there was a "run" across State street, between where L. W. Chambers' and W. S. Hook's houses are now.

Boys going to College from town had to climb a fence to get into the College lot, opposite O. D. Fitzsimmons' house.

Wm. C. Sweet had a printing office in the town.

Aug. 13, Ira Davenport was elected Sheriff and Robt. S. Anderson, Coroner. This was at the general election, which occurred earlier in the year than now.

Samuel Markoe came to Jacksonville this year.

M. Stacy, E. T. Miller, John Hurst, L. D. Rawlings and Cornelius Hook were the second board of town trustees.

Wm. Henry Harrison, of Ohio, was chosen President of the United States and John Tyler of Virginia, Vice President after one of the most exciting campaigns ever made.

REV. F. B. MADDEN WILL DELIVER SERMON

The Rev. F. B. Madden will preach the annual sermon to the Knights of Pythias lodges of the city next Sunday. The arrangements were completed by the Joint committees of the lodges this week. The members will meet in Castle hall promptly at 10 o'clock Sunday morning. The annual sermon will be of more than ordinary interest this year from the fact that all of the Grand Lodge officers will be present.

### SUNDAY SCHOOL CLASSES ENTERTAINED AT BLUFFS

Valentine Party Given at Home of Mrs. Corbridge—Spinners' Convention Program Out.

Bluffs, Ill., Feb. 14.—Mrs. Harrison Corbridge and Mrs. Marie Hale entertained the pupils of their classes of the M. P. Sunday school to a Valentine party at the home of Mrs. Corbridge Tuesday evening.

The evening's amusement consisted of contests, several being given, the chief of which was the heart contest. At a late hour refreshments were served. A very sociable and pleasant evening was passed.

The ladies of the old and new aid societies of the M. E. church and friends to the number of forty gathered at the home of Mrs. Elizabeth Moore and gave a genuine surprise Wednesday. The company met at the P. C. Burrus store at 10 o'clock and went in a body, each carrying a well filled basket of lunch and at noon an elegant dinner was quickly prepared to which all did justice.

Mrs. Moore was certainly pleased to thus be remembered by her friends. The program for the Spinners' convention to be given at Lewis' opera house Thursday evening, Feb. 15, 1917, for gymnasium benefit.

**AUTO DRIVERS BACK FROM MICHIGAN**  
Howard Zahn and Assistants have Brought in Fourteen Buicks.

Howard Zahn and force have returned from Flint, Michigan, with fourteen Buick cars. They left Flint Saturday noon when the mercury was 23 below and encountered snow for some 200 miles but the track was pretty well broken with the exception of occasional drifting into the road. After that they found the road very good. They had in the whole party only three punctures and no other mishaps of any consequence. They traveled 700 miles and arrived yesterday afternoon. They used 500 gallons of gasoline on the trip. A great many cars are being sent out in the same manner as it is almost impossible to get freight shipments.

There were in company Charles Padgett, Howard Zahn, Thomas Drake, Dawson Darley, Earl Hutson, Gay Hutson, Harry Herring, Elmer Wolke, George Baumeyer, J. Doobey, Russell McDonald, Earl Richardson and Archie Ziegler and one other.

**PURCHASED FINE HORSE.**  
Charles M. Strawn of Alexander spent Wednesday in the city. Mr. Strawn has just returned from Williamsville, where he purchased a years old Percheron stallion Denber No. 110985. The animal is a fine specimen of the breed and was purchased thru Taylor and Jones, importers of Williamsville. Mr. Strawn will have the horse at his Alexander barn in a few days and invites the public to look him over.

**CARD OF THANKS.**  
We wish to extend our sincere thanks to the city officials, employees of all departments of the city and to friends for the beautiful floral offerings and sympathy extended during our recent bereavement.

Mrs. Nellie B. Hopper and family. William Crawford of Mt. Sterling was attending to affairs in the city yesterday.

### THEIR MARRIED LIFE HAS BEEN UNUSUALLY LONG

Mr. and Mrs. George Tholen Were Wedded Fifty Nine Years Ago at Neeleyville.

February 14, 1858, Mr. and Mrs. George Tholen were married near Neeleyville and the ceremony was said by the Rev. Mr. Rice. Wednesday Mr. and Mrs. Tholen celebrated the 59th anniversary of their marriage at their home, 1430 West Lafayette avenue.

The day was passed quietly by the aged couple, but they received many post cards and congratulations from friends and neighbors. Mr. Tholen will be 80 years old February 23 and Mrs. Tholen will be 80 years old on June 24. Both are in excellent health and bid fair to enjoy many more anniversaries.

Mr. Tholen is a native of Holland and came to this country with his parents when 13 years of age. The family came directly to this state and his entire life has been spent in this vicinity.

Mrs. Tholen is a native of Germany and had been in this country about a year when she was united in marriage to Mr. Tholen. By a singular coincidence her name also was Tholen and she did not have to change it upon her marriage.

The couple lived for 25 years on a farm north of Chapin and have resided at 1430 West Lafayette avenue for the past twelve years. Prior to that they resided always in the vicinity of Neeleyville and Chapin.

They are the parents of a large family of children, most of whom they have near them in their old age and who make life most pleasant for them. The children are Henry Tholen, Oklahoma, Mrs. Anne Stumborg of Hadley, John George, Mary and Maggie all of whom reside in Jacksonville.

Mr. Tholen has been most successful in life, for many years following the occupation of farming and has accumulated a goodly portion of this world's goods so that his life is one of comfort and peace. He and his wife have lived happily thru many years and have the respect and good will of all who know them.

**DAKOTA WOMAN IS RESCUED FROM BLIZZARD**  
J. H. Colton of Woodson One of the Party That Saves Life of Mrs. Frank Reed Near New Rockford.

J. H. Colton of Woodson, well known in Jacksonville, who for a year or more has been superintendent of the high school at New Rockford, North Dakota, recently took part in the somewhat thrilling rescue of a New Rockford resident who was lost in a prairie blizzard for almost fifteen hours. It seems that Mr. and Mrs. Frank Reed started from that town Saturday night after attending a social event to make a journey to their country home.

It was a very cold night and was snowing to some extent and shortly afterward a veritable blizzard came on. They were in a cutter but in the blinding storm soon lost their way and the sleigh was overturned. They righted the sleigh but because way and the sleigh was overturned, time and time again. Soon they decided that all further progress was impossible and they must wait for daylight. Mr. Reed covered his wife with robes and removed part of his own wraps in an endeavor to make her comfortable.

When dawn came they decided that the only chance of rescue was for Mr. Reed to leave his wife near the overturned sleigh and go for aid. It took him nearly two hours to find his way to a house and give the alarm. Because of the immense drift and the raging blizzard it was necessary to organize a large party of men to assist in the search for Mrs. Reed, as the pathway her husband had left was entirely obliterated.

Fifteen hours in snow. The party included the best known citizens of the town and after strenuous hours of search they came upon the place where Mrs. Reed was half buried in the snow. It was fifteen hours after the two were lost that Mrs. Reed was found and removed to a place of safety. She was awake and conscious and could tell her rescuers of her fight against the bitter cold and how thru strong determination she had been able to fight off the sleep which would certainly have ended in her being frozen to death. Both feet were frozen as were her hands, and the shock to her system was such that it will be many days before she regains her normal strength. The place where Mrs. Reed was found was not more than a quarter of a mile from her own home and this fact gives some idea of the seriousness of the blizzard. Mr. Colton was one of those most active in the work of relief.

**PROBATE COURT**  
In the guardianship of James W. Jones, the inventory was approved. In the guardianship of Jasper Jones, the report was approved.

In the guardianship of Stephen H. and Roberta Reid, report was approved.

The guardianship of Edward McCarty was closed and the report filed was approved.

Charles B. Graff filed his report as guardian of Millie and Josephine Kennedy and the same was approved.

The report of C. B. Graff as conservator of Henry Smith was approved.

In the estate of J. H. Wells, letters testamentary were ordered to issue to Ellsworth Wells.

**CAUGHT A POSSUM.**  
R. E. H. Curtis of Manchester caught a small possum yesterday morning and brought it to the city and gave it to Fred Darr who will keep it as a pet. It is not quite grown but shows its origin very plainly. Fred will keep the little creature at Smith's hardware store a while and then take it home.

were eased by the dogs who licked the infected places, but they were not cured. Many modern people employ the same method in their treatment of boils, pimples, rashes, carbuncles, eczema and other skin diseases. They apply a salve or lotion to the sore places and fondly imagine they have cured them. The important fact which they fail to recognize is, that these skin diseases are diseases of the blood, and that no external treatment can permanently cure them, because they are essentially internal ailments.

hall Wednesday night by a score of 44 to 13.

It was merely a good workout for Routt in preparation for the game with Blackburn University at Carlinville Friday night. In the first half the second team had the business college men beat by a score of 10 to 7. When the second half started Coach Conlon put in his first team and the scores came fast and furious. It is probable that if the Routt boys had not become exhausted from throwing goals that the score would have been even larger.

The Routt seconds did good work. Rook and H. Woulfe showing good form. Froelich did phenomenal work in shooting baskets in the second half, getting nine. Walsh and L. Woulfe were also in fine form. For the business college Meade and Mayer were the chief point makers, getting twelve of the thirteen points scored.

In the curtain raiser between the Freshmen and the eighth grade the freshmen won by a score of 8 to 7 giving them the series. The score:

## BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" Ends Grippe Misery—Don't Stay Stuffed-up!

You can end grippe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, sore throat, sneezing, feverishness and stiffness.

Don't stay stuffed-up! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.—Adv.

## TRY "CASCARETS" FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean Your Bowels and Stop Headache, Colds, Sour Stomach.

Get a 10 cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad cold—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poisons in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work while you sleep. A 10 cent box from any drug store means a clear head, sweet stomach and clean, healthy liver; and bowel action for months. Children love Cascarets because they never gripe or sicken.—Adv.

## GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once

Immediate?—Yes! Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes, but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.—Adv.

## FROM THE EDUCATOR'S NOTEBOOK

The bureau of naturalization of the United States Department of Labor is working up what promises to be one of the most interesting and instructive sections of the proposed inaugural government exhibit, "Science Sam in His Workshop," to be held in the National capital from February 26 to March 10, if the war clouds do not interfere with the project. This will be an exhibit of the bureau's co-operative efforts with the public schools of more than 1,100 communities throughout the United States in the citizenship training of the foreigners who have filed naturalization papers. The exhibit will show the work done in the night schools where English and civics are taught these Americans in preparation for their American citizenship.

New Orleans reports much interest in the scheme to establish in that city or somewhere in its neighborhood, a great Pan-American university, a great school where North America and Latin America interests may be brought together. The scheme is built around the idea to harmonize and co-ordinate the relations of the United States with South and Central America. Friends of the idea have been busy on it for more than a year, and when the Southern Conference for Education and Industry was in session at New Orleans last year it engrossed the attention of the educators gathered there. The plan was not yet sufficiently mature for official discussion.

Dr. Otis William Caldwell, selected the General Education Board, backed by the Rockefeller millions, to conduct its experiment in the reorganization of elementary and secondary education, is now dean of the collegiate department of the University of Chicago. His specialty has been botany, but he is the author of textbook on general natural science, and has written a great deal for journals of a technical sort. He was educated at Franklin College and at the University of Chicago. He began his educator's career on the faculty of the Illinois State Normal School. He went to Chicago as professor of botany, and in 1913 became dean of the collegiate department. In his new position he will have the interesting experimental work of seeing how far a curriculum frankly based on exclusion of Greek and Latin and much of the conventional data of contemporary formal education can go in fitting children for contemporary life. The work he will do will be in connection with the Teachers' College of Columbia University, the faculty of which he will join. The new school will be administered by a joint board representing the Teachers' College and the General Education Board. The school is expected to open for part of its classes in the fall of 1917, between now and which date the country will be searched for able and resourceful teachers.

Dr. Marion Leroy Barton, president of Smith College, who will take up his new duties July 1 as president of the University of Minnesota, is a native of Iowa, a farmer's boy who at fifteen was thrown upon his own resources and became a drug clerk in that Minneapolis where he will now return as the head of the State's greatest educational institution. After four years of hard work as a clerk, with no relative upon whom to depend and with very slender savings, young Burton began a long struggle for a higher education, through which he was forced to earn his way. He prepared for college at the academy of Carleton College at Northfield, Minn., and later entered this same college, where he made a record of fine character and unusual scholastic ability. Then followed a period of school teaching, ordination to the ministry in the Congregational Church, and service on the faculty of the Yale Divinity School. He remained on the Yale faculty only a year, going to Brooklyn to become pastor of the Church of the Pilgrims. There he remained but a year also, accepting in 1909 the presidency of Smith College, where he began his work in 1910, after a year of study in Europe. His record as an administrator at the Northampton college has been notable, and Dr. Barton's further career, in a field which offers him civic and pedagogic opportunities so much vaster, will be watched with much interest. He is an orator of much power, and a thinker and author of repute in the educational world. His rise has been remarkably rapid, as he is only 43 years old.

## TO FOUND FRED DOUGLASS MUSEUM

Washington, D. C., Feb. 14.—A movement to liquidate the mortgage on the old home of Frederick Douglass, in the Washington suburb of Anacostia, is to be launched at meetings of negro churches and other organizations to be held through the country today in commemoration of the 100th anniversary of the birth of the noted negro orator. If funds sufficient to liquidate the mortgage are obtained the old home will be converted into a museum for the preservation of books, historic relics and records of particular interest to the colored people of the country.

## FARMER GRAIN DEALERS CONF.

Minneapolis, Minn., Feb. 14.—State inspection of grain and the existing car shortage, felt heavily in the grain trade, are the main subjects up for consideration at the annual convention of the Farmer Grain Dealers' Association of Minnesota, which met in this city today for a three-day session. More than 500 members of the association, representing all parts of the State, are in attendance.

George Beekman was in from Pisgah Wednesday on business. Mr. Beekman drove in his car and reports the roads in excellent condition.

## BALL PLAYERS WILL NOT STRIKE THIS YEAR

ENDING OF LONG CONTROVERSY ASSURED.

Fultz Proposes to Release Players From Their Pledges, Providing the Owners Will not Discriminate Against Fraternity Players.

New York, Feb. 14.—There will be no strike of baseball players this year. This ending of a long controversy was assured when President David L. Fultz of the Baseball Players' Fraternity issued here the following statement:

Owing to the unfair position in which the major league owners have been placed in the present baseball controversy between owners and the players, the fraternity has submitted to the owners the following proposal:

"To release all players from their pledges not to sign contracts upon the understanding that the owners will not discriminate against fraternity players nor discipline them for their loyalty to the fraternity in observing their pledges."

Earlier in the day Manager McGraw of the New York Nationals and President Fultz held a conference at which the fraternity executive said that if he was assured the members of the players' fraternity would not be discriminated against financially or otherwise by the major league club owners, he would release the men from their pledges.

McGraw immediately went to see President Tener of the National League and after the situation had been explained to him, Mr. Tener said:

"You can assure Mr. Fultz that I give my word of honor as the president of the league, that the National League will not discriminate in any way, shape or manner, against any ball player because of his connection with the fraternity."

Upon receiving this statement from President Tener, McGraw declared to several newspaper representatives:

"I feel perfectly justified in announcing that to all intents and purposes the strike is off insofar as it affects the National League."

When President Johnson of the American League, arrived here later in the day to attend the annual schedule meeting of his league tomorrow he was informed of the action taken by President Tener and in reply to a query as to whether he would give similar assurance he said:

"So far as the fraternity is concerned we give no assurance. All of our players look alike to us. About 85 percent of them have signed 1917 contracts and if the men come along to their training quarters all well and good. That is all the assurance that the American League will give."

The national commission will meet tomorrow morning. The American League's schedule meeting also will be held here tomorrow, but it was announced today that there would be no session of the joint rules committee and the pennant race of 1917 therefore will be decided under the rules which governed the struggle last season.

The National League magnates finished their session late today, leaving the playing schedule for 1917 in the hands of President Tener who will make it public the last of this week.

The National League board of directors was increased from 5 to 8 members, the president of each club becoming a director. No player in the league can be released between August 20 and the close of the championship season, except thru the regular formality of the waiver rule.

## SPECIAL TAX NOTICE

Notice is hereby given to all persons interested.

That the City Council of the City of Jacksonville, Illinois, having ordered that a local improvement consisting of a street pavement be constructed on North Sandy Street, from the South curb line of West North Street, running thence South to the North line of West Court Street; West Court Street from the West line of North Sandy Street to the West line of North West Street, and North West Street from the South line of West Court Street to the North line of West State Street, together with intersections of streets and alleys.

The roadway shall be excavated as shown on plans, on file in the office of the City Clerk; upon the subgrade shall be placed a layer of concrete five (5) inches thick, upon that a Cushion of Sand and Cement to be sprinkled with water, upon which shall be placed a wearing surface of Creosote Block; all joints filled with an Asphalt Filler; Sand Stone curbing on both sides and Storm Water Inlets, all of which is further shown and more particularly described in the plans, plats, profiles, and specifications for said work, on file in the office of the City Clerk of said City to which reference is hereby made; the Ordinance for the same being on file in the office of the City Clerk of said City and also made part of the petition in this proceeding and said City having applied to the County Court of Morgan County, Illinois, for the confirmation of the assessment of the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court; the final hearing thereon will be had on the 5th day of March A. D. 1917, at 9 o'clock a. m. or as soon thereafter as the business of the Court will permit and all persons desiring so to do may file objections in said Court before said date, and may appear on said hearing and make their defense.

It is further provided by said ordinance that said assessment shall be collected in ten (10) installments, with interest at the rate of Five (5) per cent per cent per annum, as provided by law.

Dated at Jacksonville, Illinois, this 12th day of February, A. D. 1917.  
Walter B. Rogers,  
Commissioner Appointed to Make Said Assessment.

## TO REMEMBER THE MAINE.

Washington, D. C., Feb. 14.—The "war and rumors of war" that fill the atmosphere at the present time are likely to attract more than the ordinary amount of public attention to this year's observance of the anniversary of the destruction of the battleship Maine in Havana harbor. Reports from all section of the country indicate that the anniversary is to be generally observed by the various patriotic societies and organizations of veterans. In the capital the chief observance is to be held tomorrow night under the auspices of the Army and Navy Union. Rear Admiral Benson and several member of Congress will be among the speakers. The Secretary of the Navy, and the Secretary of War have been invited to attend. Another notable participant in the exercises will be Rev. John P. Chadwick who was the chaplain of the Maine at the time of the disaster.

The winning aroma is Omar aroma. It is first in aroma-joyousness—in hearty aroma-wholesomeness.

You'll remember your first Omar—and there'll never be a last.

Aroma makes a cigarette—they've told you that for years. And Omar is aroma. It's the perfect Turkish blend—the triumph of rich Turkish and ripe accentuating leaves. And Omar omars spells aroma. Even the words blend.

## KEEP A JAR OF MUSTEROLE HANDY

It Quickly Loosens Up Coughs and Colds in Throat or Chest

Just a little Musterole rubbed on your sore, tight chest before you go to bed will loosen up congestion and break up most severe colds and coughs.

Musterole is a clean white ointment made with oil of mustard. Simply rub it on. No plaster necessary. Better than mustard plaster and does not blister.

Thousands who use Musterole will tell what relief it gives from sore throats, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frostbitten feet and colds (it often prevents pneumonia).

## A Reliable Remedy for Kidneys and Bladder

Foley Kidney Pills Also Do Remarkable Work Where There Are Urinary Irregularities

Irregular, painful bladder action is another convincing evidence of kidney trouble. The urine becomes concentrated, causing great irritability of the bladder. There is a desire to pass water frequently with a painful burning sensation. This irregularity becomes a serious nuisance at night, causing loss of rest and sleep to one already weakened by kidney trouble. There is also the added danger of chilling the body, a condition to be very carefully avoided at such a time.

Foley Kidney Pills control this situation promptly and effectively. They cause a normal, healthy flow, relieving the concentrated condition that produced the irritability and burning sensation. The bladder action is regulated to avoid the too frequent calls and easy restful nights without pain or backache, without loss of sleep or bad dreams, is a quick result.

### FRED A MOHR PROMINENT IN MILWAUKEE

Former Jacksonville Man Has Been Very Successful in Work For Western Union Company.

A Milwaukee paper under the heading "Men you meet in Milwaukee," in a recent issue has a picture of F. A. Mohr, formerly a Jacksonville resident, together with an extended complimentary notice. Mr. Mohr who while in Jacksonville married Miss Grace Cassell, has been in charge of the business of the Western Union Telegraph Company in Milwaukee for a number of years. That is one of the company's largest offices and the business has grown steadily under Mr. Mohr's management. Moreover, according to the Milwaukee paper, Mr. Mohr has become a prominent citizen of Milwaukee and is popular socially and fraternally and is closely identified with the business interests, as a member of the merchants and manufacturers association, the rotary club and the electrical league. It was back in 1890 that Mr. Mohr began his telegraphy work as a messenger boy in Racine, Wis. Within a few years he had shown a special aptness for his work and was given a position as operator in a Chicago office. One of his assignments was at a branch office of the world's fair and subsequently he served at various track events where speedy work in the handling of messages was essential. From Chicago he came to Jacksonville as manager and from this city was transferred to Davenport and Sioux City, Iowa, until 1904, when he assumed charge of the Milwaukee Western Union office and has continued there since that time.

### NOTICE OF BIDS.

**BARBER SALE SUCCESSFUL.**  
The sale of A. J. Barber held on the Duffner farm northwest of Woodson Wednesday proved most successful and good prices prevailed for everything offered. Mr. Barber has purchased a farm just east of the Duffner farm and will occupy it this spring. Jed Cox was the auctioneer and Charles McDonald acted as clerk. Lunch was served by the Ladies Aid of Woodson Christian church. Some of the purchasers and prices are given.

**Horses.**  
John Fitzsimmons purchased a team of horses for \$225. William Ledford gave \$92.50 for a horse. A team of coming three year old horses were bought by William Rook for \$202.50. A team of matched mares were bought by J. E. Allen for \$340. A mare coming four years old was bought by Walter Aitcher for \$150.

**Cattle.**  
Edward Vasey bought a seven months old bull for \$68. Louis Wall gave \$31.50 per head for eight calves. John Sheehan paid \$58.50 for one steer and \$19.50 each for four others. Roy Culp bought an eight and a three year old cow for \$8.50 each. Ed and Allen paid \$50 each for two heifers.

Five gilts sold for \$31.50 each and farm implements brought good prices.

Mrs. Charles Strawn of Alexander was a shopper with Jacksonville merchants yesterday.

**YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS**

You simply say to the corn, "Give me a quarter of an ounce of frezone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet.

A few drops of this new ether compound applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, dries up and can be lifted out with the fingers.

This new way to rid one's feet of corns was introduced by a Cincinnati man, who says that, while Frezone is sticky, it dries in a moment, and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin.

Don't let father die of infection or lockjaw from whitening his corns, but clip this out and make him try it.—Adv.

## A New Model Typewriter!

**The No. 9 OLIVER**  
The Standard Visible Writer

**BUY NOW**

Yes, the crowning typewriter triumph is here!

It is just out—and comes years before experts expected it. For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver "9". Think of touch so light that the tread of a kitten will run the keys.

### CAUTION!

The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with only 28 keys, the least to operate of any standard typewriter.

Thus writers of all other machines can immediately run the Oliver Number "9" with more speed and greater ease.

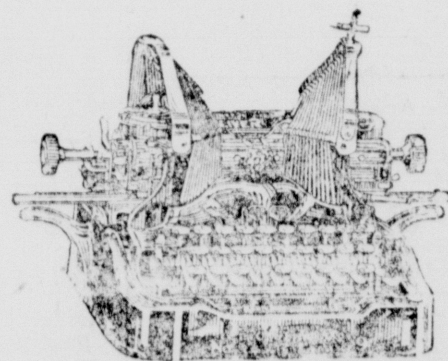

### 17 CENTS A DAY!

Remember this brand-new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special inventions—visible writing, automatic spacer, 6½-ounce touch—plus the Optional Duplex Shift, Selective Color Attachment and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.

TODAY—Write for Full Details and be among the first to know about this marvel of writing machines. See why typists, employers, and individuals everywhere are flocking to the Oliver. Just mail a postal at once. No obligation. It's a pleasure for us to tell you about it.
